Lightning Ventures Announces Pemex to Expand Hot Oil Pilot Programs

VANCOUVER, CANADA, January 18, 2018 – Lightning Ventures Inc. (CSE: LVI) (Frankfurt: 1HM) (the “Company”) is pleased to announce that its wholly owned subsidiary, Lightning Industries, has been requested to expand the Pemex hot oil pilot programs to include an additional well site in Villahermosa and also a pipeline cleaning demonstration at their refinery in Tula, Mexico. In addition, a private company, Grupo Diavaz has requested a demonstration of its paraffin removal process at one of their well sites in the Tampico area.

Don Rainwater, CEO, commented: “Lightning has now committed to five demonstration pilots for Pemex, Stata BPS, and Grupo Diavaz. The diversity of the pilots gives Lightning an excellent opportunity to showcase the full range of our capabilities while at the same time increasing the number of revenue opportunities.”
