

# PUF Ventures Congratulates Cannabis MedTech on the Launch of Cannabis.Me

VANCOUVER, Oct. 9, 2018 /CNW/ - **PUF Ventures Inc.** ("PUF" or the "**Company**") (**CSE: PUF**) (**Frankfurt: PU3**) (**OTCPK: PUFXF**), an advanced Access to Cannabis for Medical Purposes Regulations ("ACMPR") license applicant, is pleased to congratulate the team at **Cannvas MedTech Inc.** (**CSE: MTEC**) (**Frankfurt: 3CM**) for the launch of Cannabis.Me, an unbiased educational resource for medicinal and adult-use cannabis users which is now available online at <http://Cannvas.Me>.

In September 2017, PUF announced the spin-off of certain assets to form a company which subsequently became Cannabis MedTech.

"I would like to congratulate Shawn Moniz and Steve Loutskou of Cannabis MedTech on the launch of their first commercial online platform," said Derek Ivany, President and CEO of PUF Ventures. "We are on the eve of legalization and the cannabis space in Canada is in need of information and education that people can trust and rely on. Using advanced technology, Shawn and Steve have built an impressive web portal that delivers physician vetted content for both medicinal and recreational cannabis users. I wish Shawn and Steve and the rest of their team the very best on a successful launch and continued growth of their remarkable web portal."

Cannvas MedTech designs and builds customer-centric solutions that enable partners and clients to harness the power of data to truly understand their customers, industry, and key business drivers. The PUF spinout company has established itself as a leading business technology company in the cannabis health sciences space and began trading on the Canadian Stock Exchange with the symbol MTEC on July 3, 2018, and on the Frankfurt Exchange with the symbol 3CM on July 18, 2018.

Its first offering, Cannabis.Me, is a scalable, patient-centric life sciences learning platform for the global medical cannabis industry. Patients, consumers, medical practitioner and licensed producers, will use the Cannabis.Me platform for global interaction and cannabis education.
