1600 – 609 Granville Street  
Vancouver, B.C. V7Y 1C3

**MANAGEMENT INFORMATION CIRCULAR**

(containing information as at November 16, 2017 unless otherwise stated)

**For the Annual General and Special Meeting  
to be held on Wednesday, December 20, 2017**

**SOLICITATION OF PROXIES**

This Information Circular (the “**Circular**”) is furnished in connection with the solicitation of proxies by the management (the “**Management**”) of Quadron Cannatech Corporation (the “**Company**”), for use at the annual general and special meeting (the “**Meeting**”) of the shareholders (“**Shareholders**”) of the Company to be held on Wednesday, December 20, 2017, at the time and place and for the purposes set forth in the accompanying Notice of Meeting and at any adjournment thereof.

The enclosed form of proxy (the “**Proxy**”) is solicited by Management. The solicitation will be primarily by mail; however, proxies may be solicited personally or by telephone by the regular officers and employees of the Company. The cost of solicitation will be borne by the Company.

**APPOINTMENT OF PROXYHOLDERS**

The persons named in the Proxy are representatives of the Company.

**A Shareholder entitled to vote at the Meeting has the right to appoint a person (who need not be a Shareholder) to attend and act on the Shareholder's behalf at the Meeting other than the persons named in the accompanying form of proxy. To exercise this right, a Shareholder shall strike out the names of the persons named in the accompanying form of proxy and insert the name of the Shareholder's nominee in the blank space provided, or complete another suitable form of proxy.**

**VOTING BY PROXYHOLDER**

**Manner of Voting**

The common shares represented by the Proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and, if the Shareholder specifies a choice on the Proxy with respect to any matter to be acted upon, the shares will be voted accordingly. On any poll, the persons named in the Proxy (the “**Proxyholders**”) will vote the shares in respect of which they are appointed. Where directions are given by the Shareholder in respect of voting for or against any resolution, the Proxyholder will do so in accordance with such direction.

The Proxy, when properly signed, confers discretionary authority on the Proxyholder with respect to amendments or variations to the matters which may properly be brought before the Meeting. At the time of printing this Circular, Management is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known to Management should properly come before the Meeting, the proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the Proxyholder.

**In the absence of instructions to the contrary, the Proxyholders intend to vote the common shares represented by each Proxy, properly executed, in favour of the motions proposed to be made at the Meeting as stated under the headings in this Circular.**

**Revocation of Proxy**

A Shareholder who has given a Proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a Proxy may be revoked by instrument in writing executed by the Shareholder or by his or her attorney authorized in writing, or, if the Shareholder is a

corporation, it must either be under its common seal or signed by a duly authorized officer and deposited by hand with the Company's registrar and transfer agent, Computershare Trust Company of Canada ("**Computershare**") by hand or mail at 100 University Avenue, 9<sup>th</sup> Floor, Toronto, Ontario, M5J 2Y1, or by fax within North America at 1-866-249-7775 or outside North America at 1-416-263-9524 at any time up to and including the last business day preceding the day of the Meeting, or any adjournment of it, at which the proxy is to be used, or to the Chair of the Meeting on the day of the Meeting or any adjournment of it. A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

### **Voting Thresholds Required for Approval**

In order to approve a motion proposed at the Meeting, a majority of not less than one-half of the votes cast will be required (an "**Ordinary Resolution**") unless the motion requires a special resolution (a "**Special Resolution**"), in which case a majority of not less than two-thirds of the votes cast will be required. In the event a motion proposed at the Meeting requires disinterested Shareholder approval, common shares held by Shareholders of the Company who are also "insiders", as such term is defined under applicable securities laws, will be excluded from the count of votes cast on such motion.

### **ADVICE TO REGISTERED SHAREHOLDERS**

Shareholders whose names appear on the records of the Company as the registered holders of common shares in the capital of the Company (the "**Registered Shareholders**") may choose to vote by proxy whether or not they are able to attend the Meeting in person.

Registered Shareholders who choose to submit a Proxy may do so by completing, signing, dating and depositing the Proxy with Computershare, by hand or mail at 100 University Avenue, 9<sup>th</sup> Floor, Toronto, Ontario, M5J 2Y1, or by fax within North America at 1-866-249-7775 or outside North America at 1-416-263-952, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment thereof. The Proxy may be signed by the Shareholder or by his or her attorney in writing, or, if the Registered Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

### **ADVICE TO BENEFICIAL SHAREHOLDERS**

**The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold shares in their own name.**

Shareholders who do not hold their shares in their own name (the "**Beneficial Shareholders**") should note that only proxies deposited by Registered Shareholders can be recognized and acted upon at the Meeting.

If shares are listed in an account statement provided to a Shareholder by an intermediary, such as a brokerage firm, then, in almost all cases, those shares will not be registered in the Shareholder's name on the records of the Company. Such shares will more likely be registered under the name of the Shareholder's intermediary or an agent of that intermediary, and consequently the Shareholder will be a Beneficial Shareholder. In Canada, the vast majority of such shares are registered under the name CDS & Co. (being the registration name for the Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). The shares held by intermediaries or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, an intermediary and its agents are prohibited from voting shares for the intermediary's clients. Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their shares are communicated to the appropriate person.

These proxy-related materials are being sent to both Registered Shareholders and Beneficial Shareholders of the Company. If you are a Beneficial Shareholder and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. In this event, by choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting shares registered in the name of their broker, agent or nominee, a Beneficial Shareholder may attend the Meeting as a Proxyholder for a Registered Shareholder and vote their shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their shares as Proxyholder for a Registered Shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their shares as a Proxyholder.

There are two kinds of Beneficial Shareholders, those who object to their name being made known to the issuers of securities that they own (“**OBOs**” for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (“**NOBOs**” for Non-Objecting Beneficial Owners).

### **Non-Objecting Beneficial Owners**

Pursuant to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy-related materials directly to NOBOs. This year, the Company will rely on those provisions of NI 54-101 that permit it to directly deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a scannable voting instruction form (“**VIF**”) from the Company’s transfer agent, Computershare. These VIFs are to be completed and returned to Computershare in the envelope provided or by facsimile. In addition, Computershare provides both telephone voting and internet voting as described on the VIF itself which contains complete instructions. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

If you are a Beneficial Shareholder and the Company or its agent has sent these proxy-related materials to you directly, please be advised that your name, address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding your securities on your behalf. By choosing to send these proxy-related materials to you directly, the Company (and not the intermediaries holding securities your behalf) has assumed responsibility for (i) delivering the proxy-related materials to you and (ii) executing your proper voting instructions as specified in the VIF.

### **Objecting Beneficial Owners**

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their shares are voted at the Meeting.

Applicable regulatory rules require intermediaries to seek voting instructions from OBOs in advance of Shareholders’ meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by OBOs in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to an OBO by its broker, agent or nominee is limited to instructing the registered holder of the shares on how to vote such shares on behalf of the OBO.

The form of proxy provided to OBOs by intermediaries will be similar to the Proxy provided to Registered Shareholders. However, its purpose is limited to instructing the intermediary on how to vote your shares on your behalf. The majority of intermediaries now delegate responsibility for obtaining instructions from OBOs to Broadridge Investor Communications (“**Broadridge**”). Broadridge typically supplies voting instruction forms, mails those forms to OBOs, and asks those OBOs to return the forms to Broadridge or follow specific telephonic or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the meeting. **An OBO receiving a voting instruction form from Broadridge cannot use that form to vote shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure that such shares are voted.**

### **INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON**

Except as otherwise disclosed herein, none of the directors (“**Directors**”) or officers (“**Officers**”) of the Company, at any time since the beginning of the Company’s last financial year, nor any proposed nominee for election as a Director, or any associate or affiliate of the foregoing persons, has any material

interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matters to be acted upon at the Meeting exclusive of the election of directors or the appointment of auditors.

### **RECORD DATE, VOTING SHARES AND PRINCIPAL HOLDERS THEREOF**

A Shareholder of record at the close of business on November 16, 2017 (the “**Record Date**”) who either personally attends the Meeting or who has completed and delivered a proxy in the manner and subject to the provisions described above, shall be entitled to vote or to have such shareholder’s shares voted at the Meeting, or any adjournment thereof.

The Company’s authorized capital consists of an unlimited number of common shares (the “**Common Shares**”) without par value, and an unlimited number of non-voting Series A Preferred Shares and an unlimited number of non-voting Series B Preferred Shares without par value. As at the Record Date, the Company has 55,172,500 Common Shares issued and outstanding, each share carrying the right to one vote. There are no Series A Preferred Shares outstanding and 6,150,000 Series B Preferred Shares outstanding.

To the knowledge of the directors and senior officers of the Company, as of the date of this Circular, no person owns, directs, or controls, directly or indirectly, 10% or more of the issued and outstanding Common Shares.

## Stock Option Plans and Other Incentive Plans

The Company has adopted a stock option plan (the "**Option Plan**") pursuant to which the Board may grant options (the "**Options**") to purchase Common Shares of the Company to NEOs, directors and employees of the Company or affiliated corporations and to consultants retained by the Company.

The purpose of the Option Plan is to attract, retain, and motivate NEOs, directors, employees and other service providers by providing them with the opportunity, through options, to acquire an interest in the Company and benefit from the Company's growth. Under the Option Plan, the maximum number of Common Shares reserved for issuance, including Options currently outstanding, is equal to ten (10%) percent of the Shares outstanding from time to time (the "**10% Maximum**"). The 10% Maximum is an "evergreen" provision, meaning that, following the exercise, termination, cancellation or expiration of any Options, a number of Common Shares equivalent to the number of options so exercised, terminated, cancelled or expired would automatically become reserved and available for issuance in respect of future Option grants.

The number of Common Shares which may be the subject of Options on a yearly basis to any one person cannot exceed five (5%) percent of the number of issued and outstanding Shares at the time of the grant. Options may be granted to any employee, officer, director, consultant, affiliate or subsidiary of the Company exercisable at a price which is not less than the market price of common shares of the Company on the date of the grant. The directors of the Company may, by resolution, determine the time period during which any option may be exercised (the "**Exercise Period**"), provided that the Exercise Period does not contravene any rule or regulation of such exchange on which the Common Shares may be listed. All Options will terminate on the earliest to occur of (a) the expiry of their term; (b) the date of termination of an optionee's employment, office or position as director, if terminated for just cause; (c) ninety (90) days (or such other period of time as permitted by any rule or regulation of such exchange on which the Common Shares may be listed) following the date of termination of an optionee's employment, office or position as a director, if terminated for any reason other than the optionee's disability or death; (d) thirty (30) days following the date of termination of an optionee's position as a consultant engaged in investor relations activities, if terminated for any reason other than the optionee's disability, death, or just cause; and (e) the date of any sale, transfer or assignment of the Option.

Options are non-assignable and are subject to early termination in the event of the death of a participant or in the event a participant ceases to be a NEO, director, employee, consultant, affiliate, or subsidiary of the Company, as the case may be. Subject to the foregoing restrictions, and certain other restrictions set out in the Option Plan, the Board is authorized to provide for the granting of Options and the exercise and method of exercise of options granted under the Option Plan.

There are presently 3,750,000 Options outstanding under the Option Plan, 2,250,000 of which are held by NEOs or directors of the Company.

### **Employment, Consulting and Management Agreements**

Except as disclosed herein, management functions of the Company are not, to any substantial degree, performed other than by directors or NEOs of the Company. There are no agreements or arrangements that provide for compensation to NEOs or directors of the Company, or that provide for payments to a NEO or director at, following or in connection with any termination (whether voluntary, involuntary or constructive), resignation, retirement, severance, a change of control in the Company or a change in the NEO or director's responsibilities.

The Company has an accounting and administrative services agreement with Emprise Capital Corporation ("ECC"), whereby ECC is paid a monthly fee of \$7,500. Mr. Chisholm, the Company's CFO, is also an officer of ECC.

### **Oversight and Description of Director and NEO Compensation**

#### ***Compensation of Directors***

Compensation of directors of the Company is reviewed annually and determined by the Board. The level of compensation for directors is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources.

In the Board's view, there is, and has been, no need for the Company to design or implement a formal compensation program for directors. While the Board considers Option grants to directors under the Option Plan from time to time, the Board does not employ a prescribed methodology when determining the grant or allocation of Options. Other than the Option Plan, as discussed above, the Company does not offer any long term incentive plans, share compensation plans or any other such benefit programs for directors.

#### ***Compensation of NEOs***

Compensation of NEOs is reviewed annually and determined by the Board. The level of compensation for NEOs is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources. In the Board's view, there is, and has been, no need for the Company to design or implement a formal compensation program for NEOs.

#### ***Elements of NEO Compensation***

Compensation of the Company's NEOs is comprised of a base salary and the grant of options to purchase Common Shares under the Option Plan.

Amounts paid to NEOs as base salary, including merit salary increases, are determined in accordance with an individual's performance and salaries in the marketplace for comparable positions. The determination of base salaries relies principally on negotiations between the respective NEO and the Company and is therefore heavily discretionary.

As discussed above, the Company provides an Option Plan to motivate NEOs by providing them with the opportunity, through Options, to acquire an interest in the Company and benefit from the Company's growth. The Board does not employ a prescribed methodology when determining the grant or allocation of Options to NEOs. Other than the Option Plan, the Company does not offer any long term incentive

plans, share compensation plans, retirement plans, pension plans, or any other such benefit programs for NEOs.

### **Pension Plan Benefits**

No pension, retirement or deferred compensation plans, including defined contribution plans, have been instituted by the Company and none are proposed at this time.

### ***Cease Trade Orders, Corporate and Personal Bankruptcies, Penalties and Sanctions***

For purposes of the disclosure in this section, an “order” means a cease trade order, an order similar to a cease trade order, or an order that denied the relevant company access to any exemption under securities legislation, in each case that was in effect for a period of more than 30 consecutive days; and for purposes of item (a)(i) below, specifically includes a management cease trade order which applies to directors or executive officers of a relevant company that was in effect for a period of more than 30 consecutive days whether or not the proposed director was named in the order.

None of the proposed directors, including any personal holding company of a proposed director:

- (a) is, as at the date of this Circular, or has been, within the 10 years before the date of this Circular, a director, chief executive officer or chief financial officer of any company (including the Company) that:
- (i) was subject to an order that was issued while the proposed director was acting in the capacity as a director, chief executive officer or chief financial officer of the company; or
  - (ii) was subject to an order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in such capacity.
    - Doug McFaul was a director of egX Group Inc. (“egX”). In May 2009, while Mr. McFaul was a director of egX, egX was subject to a cease trade order of the BCSC and a cease trade order of the ASC (in August 2009) for failure to file the required continuous disclosure documents for the financial year ended December 31, 2008. The cease trade orders remain in effect.

- (b) is, as at the date of this Circular, or has been, within the 10 years before the date of this Circular, a director or executive officer of any company (including the Company) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or was subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold its assets;
- (c) has, within the 10 years before the date of this Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director;
- Robert Chisholm (CFO) was a former director of OCION Water Sciences Group Ltd. ("Ocion"). A secured creditor appointed a receiver to Ocion on October 17, 2014. On November 6, 2014 the board of directors of Ocion determined that the interests of all stakeholders would best be protected by an assignment into bankruptcy. Robert Chisholm resigned as a director, on October 17, 2014.
- (d) has been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority since December 31, 2000, or before December 31, 2000 if the disclosure of which would likely be important to a reasonable security holder in deciding whether to vote for a proposed director, or
- (e) has been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable security holder in deciding whether to vote for a proposed director.

3. Upon expiry of an Option, or in the event an option is otherwise terminated for any reason, the number of shares in respect of the expired or terminated option shall again be available for the purposes of the Option Plan. All Options granted under the Option Plan may not have an expiry date exceeding ten (10) years from the date on which the board of directors grant and announce the granting of the Option.

### **3.1 Administration**

- (a) This Plan shall be administered by the Board. Subject to the provisions of this Plan, the Board shall have the authority:
  - (i) to determine the Eligible Persons to whom Options are granted, to grant such Options, and to determine any terms and conditions, limitations and restrictions in respect of any particular Option grant, including but not limited to the nature and duration of the restrictions, if any, to be imposed upon the acquisition, sale or other disposition of Common Shares acquired upon exercise of the Option, and the nature of the events and the duration of the period, if any, in which any Participant's rights in respect of an Option or Common Shares acquired upon exercise of an Option may be forfeited;

### **3.3 Compliance with Legislation**

- (a) This Plan, the grant and exercise of Options hereunder and the Corporation's obligation to sell, issue and deliver any Common Shares upon exercise of Options shall be subject to all applicable federal, provincial and foreign laws, policies, rules and regulations, to the policies, rules and regulations of any stock exchanges or other markets on which the Common Shares are listed or quoted for trading and to such approvals by any governmental or regulatory agency as may, in the opinion of counsel to the Corporation, be required. ### **4.3 Limitation on Grants and Exercises**

- (a) To Eligible Persons. The aggregate number of Common Shares reserved for issuance to any one Eligible Person in any 12 month period under this Plan and any Other Share Compensation Arrangement shall not exceed 5% of the outstanding Common Shares at the time of the grant, unless the Corporation has obtained Disinterested Shareholder Approval to exceed such limit.

## **ARTICLE 5 OPTION TERMS**

### **5.1 Exercise Price**

- (a) Subject to a minimum exercise price of \$0.05 per Common Share, the exercise price per Common Share for an Option shall not be less than the "Discounted Market Price", as calculated pursuant to the policies of the Exchange, or such other minimum price as may be required or permitted by the Exchange.
- (b) If Options are granted within ninety days of a distribution by the Corporation by prospectus, then the exercise price per Common Share for such Option shall not be less than the greater of the minimum exercise price calculated pursuant to subsection (a) herein and the price per Common Share paid by the public investors for Common Shares acquired pursuant to such distribution. Such ninety day period shall begin:
  - (i) on the date the final receipt is issued for the final prospectus in respect of such distribution; and
  - (ii) in the case of a prospectus that qualifies special warrants, on the closing date of the private placement in respect of such special warrants.

### **5.2 Expiry Date**

Every Option shall have a term not exceeding and shall therefore expire no later than 10 years after the date of grant.

### **5.3 Vesting**

- (a) Subject to subsection (b) herein and otherwise in compliance with the policies of the Exchange, the Board shall determine the manner in which an Option shall vest and become exercisable.
- (b) Options granted to Consultants performing Investor Relations Activities shall vest over a minimum 12 months with no more than ¼ of such Options vesting in any 3 month period.

### **5.4 Non-Assignability**

Options may not be assigned or transferred.

### **5.5 Ceasing to be Eligible Person**

- (a) If a Participant who is an Officer, Employee or Consultant is terminated for cause, each Option held by such Participant shall terminate and shall therefore cease to be exercisable upon such termination for cause.
- (b) If a Participant dies prior to otherwise ceasing to be an Eligible Person, each Option held by such Participant shall terminate and shall therefore cease to be exercisable no later than the earlier of the Expiry Date and the date which is six months after the date of the

Participant's death, always provided that the Board may, in its discretion, extend the date of such termination and the resulting period in which such Option remains exercisable to a date not exceeding the earlier of the Expiry Date and the date which is twelve months after the date of the Participant's death.

- (c) If a Participant ceases to be an Eligible Person other than in the circumstances set out in subsection (a) or (b) herein, each Option held by such Participant shall terminate and shall therefore cease to be exercisable no later than the earlier of the Expiry Date and the date which is 90 days after such event, always provided that the Board may, in its discretion, extend the date of such termination and the resulting period in which such Option remains exercisable to a date not exceeding the earlier of the Expiry Date and the date which is twelve months after such event, and further provided that the Board may, in its discretion, on a case-by-case basis and only with the approval of the Exchange, further extend the date of such termination and the resulting period in which such Option remains exercisable to a date exceeding the date which is after twelve months of such event.
- (d) For greater certainty, if a Participant dies, each Option held by such Participant shall be exercisable by the legal representative of such Participant until such Option terminates and therefore ceases to be exercisable pursuant to the terms of Section 5.5(b).
- (e) If any portion of an Option is not vested at the time a Participant ceases, for any reason whatsoever, to be an Eligible Person, such unvested portion of the Option may not be thereafter exercised by the Participant or its legal representative, as the case may be, always provided that the Board may, in its discretion further and subject to the approval of the Exchange where the vesting of the said Participant's options was a requirement of the Exchange's policies, thereafter permit the Participant or its legal representative, as the case may be, to exercise all or any part of such unvested portion of the Option that would have vested prior to the time such Option otherwise terminates and therefore ceases to be exercisable pursuant to the terms of this Section. For greater certainty, and without limitation, this provision will apply regardless of whether the Participant ceased to be an Eligible Person voluntarily or involuntarily, was dismissed with or without cause, and regardless of whether the Participant received compensation in respect of dismissal or was entitled to a notice of termination for a period which would otherwise have permitted a greater portion of an Option to vest.

## **ARTICLE 6 EXERCISE PROCEDURE**

### **6.1 Exercise Procedure**

An Option may be exercised from time to time, and shall be deemed to be validly exercised by the Participant only upon the Participant's delivery to the Corporation at its registered office:

- (a) a written notice of exercise addressed to the Corporate Secretary of the Corporation, specifying the number of Common Shares with respect to which the Option is being exercised;
- (b) the originally signed option agreement with respect to the Option being exercised;
- (c) a certified cheque or bank draft made payable to the Corporation for the aggregate exercise price for the number of Common Shares with respect to which the Option is being exercised; and
- (d) documents containing such representations, warranties, agreements and undertakings, including such as to the Participant's future dealings in such Common Shares, as counsel to the Corporation reasonably determines to be necessary or advisable in order to comply with or safeguard against the violation of the laws of any jurisdiction;

and on the business day following, the Participant shall be deemed to be a holder of record of the Common Shares with respect to which the Option is being exercised, and thereafter the Corporation shall, within a reasonable amount of time, cause certificates for such Common Shares to be issued and delivered to the Participant.

## **6.2 Withholding**

The Corporation may withhold from any amount payable to an optionee, either under this Plan or otherwise, such amount as it reasonably believes is necessary to enable the Corporation to comply with the applicable requirements of any federal, provincial, local, or foreign law, or any administrative policy of any applicable tax authority, relating to the withholding of tax or any other required deductions with respect to options ("Withholding Obligations"). The Corporation may also satisfy any liability for any such Withholding Obligations, on such terms and conditions as the Corporation may determine in its discretion, by (a) requiring an optionee, as a condition to the exercise of any Options, to make such arrangements as the Corporation may require so that the Corporation can satisfy such Withholding Obligations including, without limitation, requiring the optionee to remit to the Corporation in advance, or reimburse the Corporation for, any such Withholding Obligations or (b) selling on the optionee's behalf, or requiring the optionee to sell, any Shares acquired by the optionee under the Plan, or retaining any amount which would otherwise be payable to the optionee in connection with any such sale.

## **ARTICLE 7 AMENDMENT OF OPTIONS**

### **7.1 Consent to Amend**

The Board may amend any Option with the consent of the affected Participant and the Exchange, including any shareholder approval required by the Exchange. For greater certainty, Disinterested Shareholder Approval is required for any reduction in the exercise price of an Option if the Participant is an Insider at the time of the proposed amendment.

### **7.2 Amendment Subject to Approval**

If the amendment of an Option requires regulatory or shareholder approval, such amendment may be made prior to such approvals being given, but no such amended Options may be exercised unless and until such approvals are given.

## **ARTICLE 8 MISCELLANEOUS**

### **8.1 No Rights as Shareholder**

Nothing in this Plan or any Option shall confer upon a Participant any rights as a shareholder of the Corporation with respect to any of the Common Shares underlying an Option unless and until such Participant shall have become the holder of such Common Shares upon exercise of such Option in accordance with the terms of the Plan.

### **8.2 No Right to Employment**

Nothing in this Plan or any Option shall confer upon a Participant any right to continue in the employ of the Corporation or any Affiliate or affect in any way the right of the Corporation or any Affiliate to terminate the Participant's employment, with or without cause, at any time; nor shall anything in the Plan or any Option be deemed or construed to constitute an agreement, or an expression of intent, on the part of the Corporation or any Affiliate to extend the employment of any Participant beyond the time which the Participant would normally be retired pursuant to the provisions of any present or future retirement plan of the Corporation or any Affiliate, or beyond the time at which he would otherwise be retired pursuant to the provisions of any contract of employment with the Corporation or any Affiliate.

### **8.3 Governing Law**

This Plan, all option agreements, the grant and exercise of Options hereunder, and the sale, issue and delivery of Common Shares hereunder upon exercise of Options shall be, as applicable, governed by and construed in accordance with the laws of the Province of British Columbia and the federal laws of Canada applicable therein. The Courts of the Province of British Columbia shall have the exclusive jurisdiction to hear and decide any disputes or other matters arising herefrom.
