SOQUEM Commences IP Survey at West Malartic

Renforth Resources Inc. (CSE – RFR) (“Renforth” or the “Company”) is pleased to announce SOQUEM has commenced an IP Survey over 141.3 line kilometres on Renforth’s West Malartic Property, as indicated by the grid below.

Renforth optioned its’ West Malartic Property to SOQUEM in July of 2017, the terms of the option allow SOQUEM to earn a 50% interest in the Property with an expenditure of \$1,300,000 over 3 years. The West Malartic Property is contiguous to the western border of the Canadian Malartic Mine property. Renforth is pleased to have SOQUEM as a partner in this exploration property, allowing Renforth to benefit from SOQUEM’s

expertise, allowing Renforht to focus its' own exploration efforts on the gold resources at New Alger and Parbec.

Mark Wellstead P.Geo, OGQ Special Authorization #388 of Minroc Management is a "qualified person" pursuant to the guidelines of National Instrument 43-101 and has reviewed and approved the technical disclosure in this press release.

Le présent communiqué est disponible en français sur la page web de Renforth.

Forward Looking Statements

This news release contains forward-looking statements and information under applicable securities laws. All statements, other than statements of historical fact, are forward looking. Forward-looking statements are frequently identified by such words as 'may', 'will', 'plan', 'expect', 'believe', 'anticipate', 'estimate', 'intend' and similar words referring to future events and results. Such statements and information are based on the current opinions and expectations of management. All forward-looking information is inherently uncertain and subject to a variety of assumptions, risks and uncertainties, including the speculative nature of mineral exploration and development, fluctuating commodity prices, the risks of obtaining necessary approvals, licenses and permits and the availability of financing, as described in more detail in the Company's securities filings available at www.sedar.com. Actual events or results may differ materially from those projected in the forward-looking statements and the reader is cautioned against placing undue reliance thereon. Forward-looking information speaks only as of the date on which it is provided and the Company assumes no obligation to revise or update these forward-looking statements except as required by applicable law.
