### SQUIRE ANNOUNCES CHANGE TO CAPITAL INVESTMENT POLICY

**VANCOUVER, B.C.** – November 24, 2017 – **Squire Mining Ltd.** (“**Squire**” or the “**Company**”) (**CSE: SQR**) announces that in an effort to increase its potential return on funds held in cash or other short term interest bearing securities, the board of directors has approved a change to the Company’s capital investment policies to permit management to make investments from time to time in other publicly traded companies that management believe offer potentially superior returns on investment. Potential investments may include, among other investments, private placements and/or market purchases in public companies listed in Canada and/or the United States and may involve investments across different sectors (i.e. mining, technology or otherwise).

The board of directors is currently developing a formal investment policy; however, it is anticipated that a maximum of 25% of the Company’s available cash on hand from time to time will be made available for this purpose.
