Damien Reynolds Appointed Chief Capital Markets Office

THC.CSE

THCBF-OTC

TFHC.F

Vancouver, B.C. – (July 14, 2015) THC BioMed Intl Ltd. (“**THC**”) is pleased to announce it has appointed Damien Reynolds as Chief Capital Markets Officer. Mr. Reynolds brings over 25 years of Global Capital markets experience including M&A, start up incubation, strategic investments and has been directly involved in raising significant venture capital. Mr. Reynolds will be instrumental in helping the Company achieve its goal of global growth.

The Company welcomes Damien to the team and looks forward to building a successful international life sciences company.

The Company has granted 1,000,000 incentive stock options to Mr. Reynolds, 500,000 at a price of \$0.10 per share and 500,000 at a price of \$0.15 per share with an exercise period of two years. The options vest over the course of one year, with 25% vesting on the date of grant and 25% every 4 months following the date of grant.

THC’s vision is to be on the leading edge of scientific research and development of products and services related to the medical cannabis industry while creating a standard of excellence. As the industry develops, it will become more important to focus on scientific research and development of products and services related to medical cannabis. Management believes THC is well-positioned to be in the forefront of this rapidly growing industry.
