Tinley to Exhibit at BIG Industry Show in Denver April 26-27

TORONTO, ONTARIO--(Marketwired – April 21, 2016) -

Tinley is pleased to announce that it will be exhibiting at the BIG Industry Show in Denver on April 26 and 27, 2016.

The BIG Industry Show is a wholesale business to business trade show for the smoke and vape industry. It is produced by the Buyers Industry Guide (BIG), a leading industry publication for retailers and distributors in this channel.

Exhibiting at the BIG Industry Trade Show are manufacturers, distributors, and wholesalers looking to sell their products to store owners. BIG expects approximately 2,000 members of the retail buying community to attend.

“We believe our Hemplify products can help retailers extend their CBD sales to a broader base of everyday consumers. Colorado is a key market for us and we look forward to working with BIG on this trade show and other marketing initiatives. We are looking forward to meeting new buyers and continuing discussions with companies with whom we met at ExpoWest and the SSE Event in March,” said Jeff Maser, CEO of Tinley.

Tinley is also pursuing strategies in the health/natural foods, lifestyle, convenience and online channels.

Hemplify is a line of fruit-flavored, sugar-free, vegan, drinkable supplements that contain CBD, terpenes and other hemp stalk constituents. Each product also contains 9-12x the potassium electrolyte content of major sports drinks, 200mg of Omega 3 and excellent sources of vitamins A through E (including 100% DV of Vitamin B12, C and D). They are produced with patented technology that elevates absorption into the bloodstream, ensures shelf stability and masks the hemp oil's taste to enable delicious, refreshing flavors.

Additional information is available at www.drinkhemplify.com.

Tinley invites buyers and members of the media to schedule meetings at its booth (1143B) and elsewhere at the National Complex during the show. To schedule a meeting or to make general inquiries, please contact sales@drinktinley.com.
