November 24, 2016: Toronto, Ontario and Los Angeles, California - The Tinley Beverage Company Inc. (the "Company" or "Tinley") is pleased to announce that it has been ranked as a Top 25 Cannabis stock pick by CannalInvestor Magazine.

Tinley ranked in the long-term investor category, which is based upon criteria including cash resources, revenue projections, management, margins, addressable market, phase of growth and business model.

"Cannabis-infused beverages represent a significant market opportunity given consumers are accustomed to becoming 'intoxicated' via beverages," said Louis Kyron, contributing writer for CannalInvestor Magazine. "Tinley's management team has significant experience in the beverage industry and have already proven an ability to launch and market Hemplify, a drinkable health product in the emerging hemp stalk extract category. In addition to creating an attractive opportunity in the fast-growing mainstream functional beverage industry, Tinley's Hemplify launch has resulted in the creation of a distribution network and team for the company's cannabis-infused beverages," continued Kyron.

Consumers in the continental USA are invited to take advantage of Hemplify's Black Friday special by entering coupon code CYBER16 upon checkout at www.drinkhemplify.com.
