### **360 Capital Appoints Brayden Sutton as VP and Chief Investment Officer To Lead the Company's Growth in the Capital Markets Sector**

Vancouver, BC, November 24, 2016 – 360 Capital Financial Services Group Inc. (CSE: TSZ, [www.360capital.ca](http://www.360capital.ca)), announces the appointment of Brayden R. Sutton as Vice-President and Chief Investment Officer.

Brayden brings to 360 Capital an impressive track record of successfully managing a diverse portfolio of investments through his wholly owned merchant bank. His sectors of specialization over the past 14 years include technology, media, health, clean energy and resource – complimented by his considerable expertise in conducting due diligence. His extensive experience in capital markets financing including restructurings, RTOs, IPOs, and M&As will greatly assist in fulfilling 360 Capital's objectives of sourcing early-stage, high-growth opportunities in both the private and public sectors.

360 Capital's President and CEO, John Gan commented, "Brayden has over a decade of hands-on experience working in the capital markets, structuring numerous equity and debt financings for venture companies. With his passion, drive and entrepreneurship he has built a successful track record of taking private companies public through various types of financings. Brayden will work closely with myself and the 360 team developing a comprehensive business model to fulfill our corporate clients' needs while increasing shareholder value for our investors. With our one-stop corporate finance solution that includes Equity Crowd Funding, Exempt Market Dealing, Venture Capital Funding and Public Listing services, 360 Capital is well positioned to be a capable financial and business partner for early stage companies with high-growth potential that require assistance in corporate finance, business advisory and accessing the capital markets".

#### **About 360 Capital Financial Services Group Inc.**

360 Capital Financial Services Group (CSE: TSZ, [www.360capital.ca](http://www.360capital.ca)), through our subsidiaries and affiliated companies, provides a broad range of financial services including capital raising, corporate finance advisory, merchant banking, and IPO consulting. To assist in fulfilling these services, 360 Capital has created our 360 Funding Escalator™ that bridges the capital raising gap from early stage to exit for emerging venture companies. This enables us to help develop, grow, and invest in business and venture opportunities through equity investments, acquisitions, partnerships, JVs, and strategic alliances in Asia and Canada.

The CSE has not reviewed and does not accept responsibility for the adequacy or accuracy of this release.

#### **Forward Looking Statements**

Certain information set forth in this news release may contain forward-looking statements that involve substantial known and unknown risks and uncertainties. All statements other than statements of historical fact are forward-looking statements, including, without limitation, statements regarding future financial position, business strategy, corporate vision, proposed acquisitions, partnerships, joint-ventures and strategic alliances and co-operations, budgets, cost and plans and objectives of or involving the Company. Such forward-looking information reflects management's current beliefs and is based on information currently available to management. Often, but not always, forward-looking statements can be identified by the use of words such as "plans", "expects", "is expected",

"budget", "scheduled", "estimates", "forecasts", "predicts", "intends", "targets", "aims", "anticipates" or "believes" or variations (including negative variations) of such words and phrases or may be identified by statements to the effect that certain actions "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. A number of known and unknown risks, uncertainties and other factors may cause the actual results or performance to materially differ from any future results or performance expressed or implied by the forward-looking information. These forward-looking statements are subject to numerous risks and uncertainties, certain of which are beyond the control of the Company including, but not limited to, the impact of general economic conditions, industry conditions, dependence upon regulatory and shareholder approvals, the execution of definitive documentation and the uncertainty of obtaining additional financing. Readers are cautioned that the assumptions used in the preparation of such information, although considered reasonable at the time of preparation, may prove to be imprecise and, as such, undue reliance should not be placed on forward-looking statements. The Company does not assume any obligation to update or revise its forward-looking statements, whether as a result of new information, future events, or otherwise.
