360 Capital Grants Stock Options to Directors, Officers, Employees and Consultants

Vancouver, BC, February 17, 2017 – 360 Capital Financial Services Group Inc. (CSE: TSZ, www.360capital.ca), announced today that the company has granted a total of 5,700,000 incentive stock options to directors, officers, employees and consultants under the Company's stock option plan, which was approved by the Board of Directors.

The options are exercisable at \$0.05 per share and will expire on February 16, 2022. Following this option grant, the Company now has 8,700,000 stock options outstanding.

About 360 Capital Financial Services Group Inc.

360 Capital Financial Services Group (CSE: TSZ, www.360capital.ca), through our subsidiaries and affiliated companies, provides a broad range of financial services to emerging private and public companies. We "Connect Capital to Growth™" by raising equity, providing corporate finance advisory, merchant banking, IPO consulting and market support services for our clients. To assist in fulfilling these services, 360 Capital has created our 360 Funding Escalator™ model which bridges the capital raising gap from early stage development to exit and liquidity for emerging companies. This enables us to help develop, grow, and invest in venture business opportunities through equity investments, acquisitions, partnerships, JVs, and strategic alliances in Canada and Asia.

The CSE has not reviewed and does not accept responsibility for the adequacy or accuracy of this release.

Forward Looking Statements

Certain information set forth in this news release may contain forward-looking statements that involve substantial known and unknown risks and uncertainties. All statements other than statements of historical fact are forward-looking statements, including, without limitation, statements regarding future financial position, business strategy, corporate vision, proposed acquisitions, partnerships, joint-ventures and strategic alliances and co-operations, budgets, cost and plans and objectives of or involving the Company. Such forward-looking information reflects management's current beliefs and is based on information currently available to management. Often, but not always, forward-looking statements can be identified by the use of words such as "plans", "expects", "is expected", "budget", "scheduled", "estimates", "forecasts", "predicts", "intends", "targets", "aims", "anticipates" or "believes" or variations (including negative variations) of such words and phrases or may be identified by statements to the effect that certain actions "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. A number of known and unknown risks, uncertainties and other factors may cause the actual results or performance to materially differ from any future results or performance expressed or implied by the forward-looking information. These forward-looking statements are subject to numerous risks and uncertainties, certain of which are beyond the control of the Company including, but not limited to, the impact of general economic conditions, industry conditions, dependence upon regulatory and shareholder approvals, the execution of definitive documentation and the uncertainty of obtaining additional financing. Readers are cautioned that the assumptions used in the preparation of such information, although considered reasonable at the time of preparation, may prove to be imprecise and, as such, undue reliance should not be placed on forward-looking statements. The Company does not assume any obligation to update or revise its forward-looking statements, whether as a result of new information, future events, or otherwise.
