#### **About 360 Capital Financial Services Group Inc.**

360 Capital Financial Services Group (CSE: TSZ, [www.360capital.ca](http://www.360capital.ca)), through our subsidiaries and affiliated companies, provides a broad range of financial services to emerging private and public companies. We “Connect Capital to Growth™” by providing corporate finance advisory, merchant banking, IPO consulting and business advisory services for our clients. To assist in fulfilling these services, 360 Capital has created our 360 Funding Escalator™ model which bridges the capital raising gap from early stage development to exit and liquidity for emerging companies. This enables us to help develop, grow, and invest in venture business opportunities through equity investments, acquisitions, partnerships, JVs, and strategic alliances in Canada and Asia.

The CSE has not reviewed and does not accept responsibility for the adequacy or accuracy of this release.
