INFORMATION CONCERNING FORWARD-LOOKING STATEMENTS

Except for statements of historical fact contained herein, the information presented in this Circular constitutes “forward-looking statements” or “information” (collectively “**statements**”). These statements relate to analyses and other information that are based on forecasts of future results, estimates of amounts not yet determinable and assumptions of management.

In some cases, forward-looking statements can be identified by terminology such as “may”, “will”, “expect”, “plan”, “anticipate”, “believe”, “intend”, “estimate”, “predict”, “forecast”, “outlook”, “potential”, “continue”, “should”, “likely”, or the negative of these terms or other comparable terminology. Although management believes that the anticipated future results, performance or achievements expressed or implied by the forward-looking statements and information are based upon reasonable assumptions and expectations, the reader should not place undue reliance on forward-looking statements and information because they involve assumptions, known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company, to differ materially from anticipated future results, performance or achievements expressed or implied by such forward-looking statements and information. Factors that could cause actual results to differ materially from those set forth in the forward-looking statements and information include, but are not limited, risks related to our limited operating history and history of limited or no earnings, competition from other companies in similar industries, risks inherent with operations in emerging countries, changes to government regulations in the areas of insurance, financing, and business consulting industry, dependence on key personnel, general economic conditions, local economic conditions, interest rates; availability of equity and debt financing, and other risks factors described from time to time in the documents filed by us with applicable securities regulators.

GENERAL PROXY INFORMATION

Solicitation of Proxies

This Circular is furnished in connection with the solicitation of proxies by management of 360 Capital for use at the Meeting, and at any adjournment(s) or postponement(s) thereof.

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors or officers of the Company. The Company will bear all costs of this solicitation. The Company has arranged for Intermediaries to forward the meeting materials to Beneficial Shareholders held of record by those Intermediaries and the Company may reimburse the Intermediaries for their reasonable fees and disbursements in that regard.

Currency

In this Circular, except where otherwise indicated, all dollar amounts are expressed in the lawful currency of Canada.

Record Date

The Board has fixed May 15, 2017 as the record date (the “**Record Date**”) for determination of persons entitled to receive notice of and to vote at the Meeting. Only 360 Capital Shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a form of proxy in the manner and subject to the provisions described herein will be entitled to vote or to have their 360 Capital Shares voted at the Meeting.

Appointment of Proxy holders

The individual(s) named in the accompanying form of proxy are management’s representatives. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than the person(s) designated in the Proxy, who need not be a shareholder of the Company, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another proper proxy and, in either case, delivering the completed Proxy to the office of Computershare Investor Services Inc., Proxy Department, 510 Burrard Street, 2nd Floor, Vancouver, BC, V6C 3B9, not less than 48 hours (excluding Saturdays and holidays) before the time fixed for the Meeting or any adjournment(s) or postponement(s) thereof.**

Voting by Proxy holder

The person(s) named in the Proxy will vote or withhold from voting the 360 Capital Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your 360 Capital Shares will be voted accordingly. The Proxy confers discretionary authority on the person(s) named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

As at the date hereof, the Board knows of no such amendments, variations or other matters to come before the Meeting, other than the matters referred to in the Notice of Meeting. However, if other matters should properly come before the Meeting, the Proxy will be voted on such matters in accordance with the best judgment of the person(s) voting the Proxy.

In respect of a matter for which a choice is not specified in the Proxy, the person(s) named in the Proxy will vote the 360 Capital Shares represented by the Proxy for the approval of such matter.

Registered Shareholders

Registered Shareholders may wish to vote by Proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a Proxy may do so by completing, dating and signing the enclosed form of Proxy and returning it to the Company's transfer agent Computershare Trust Company by mail to Proxy Department, 510 Burrard Street, 2nd Floor, Vancouver, BC V6C 3B9 not less than 48 hours (excluding Saturdays and holidays) before the time fixed for the Meeting or any adjournment(s) or postponement(s) thereof, or in such other manner as may be provided for in the Proxy.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold 360 Capital Shares in their own name. Beneficial Shareholders should note that the only Proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders (those whose names appear on the records of the Company as the registered holders of 360 Capital Shares).

If 360 Capital Shares are listed in an account statement provided to a shareholder by a broker, then in almost all such cases those 360 Capital Shares will not be registered in the shareholder's name on the records of the Company. Such 360 Capital Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States, the vast majority of such 360 Capital Shares are registered under the name of CDS & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

If you are a Beneficial Shareholder:

There are two kinds of Beneficial Shareholders, those who object to their name being made known to the issuers of securities which they own (called "**OBOs**" for objecting beneficial owners) and those who do not object to the issuers of the securities they own knowing who they are (called "**NOBOs**" for non – objecting beneficial owners).

The Company is taking advantage of those provisions of National Instrument 54-101 – "Communication of Beneficial Owners of Securities" of the Canadian Securities Administrators, which permits it to deliver proxy-related materials directly to its NOBOs and OBOs. As a result, NOBOs and OBOs can expect to receive a voting instruction form ("**VIF**"). These VIFs are to be completed and returned to Computershare in the envelope provided or by facsimile to the number provided in the VIF. In addition, Computershare will tabulate the results of the VIFs received from NOBOs and OBOs and will provide appropriate instructions at the Meeting with respect to the 360 Capital Shares represented by the VIFs it receives.

This Circular, with related material, is being sent to both Registered and Beneficial Shareholders. If you are a Beneficial Shareholder and the Company or its agent has sent these materials directly to you, your name and address and information about your 360 Capital Shares have been obtained in accordance with applicable securities regulatory requirements from the Intermediary who holds your 360 Capital Shares on your behalf.

By choosing to send these materials to you directly, the Company (and not the Intermediary holding your 360 Capital Shares on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your VIF as specified in your request for voting instructions that you receive. The Company will not be paying for mailing to OBOs.

Beneficial Shareholders who are OBOs should carefully follow the instructions of their Intermediary in order to ensure that their 360 Capital Shares are voted at the Meeting.

The form of proxy that will be supplied to Beneficial Shareholders by the Intermediaries will be similar to the Proxy provided to Registered Shareholders by the Company. However, its purpose is limited to instructing the Intermediary on how to vote on behalf of the Beneficial Shareholder. Most Intermediaries now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. in the United States and Broadridge Financial Solutions Inc., Canada, in Canada (collectively "**BFS**"). BFS mails a VIF in lieu of a Proxy provided by the Company. The VIF will name the same person(s) as the Proxy to represent Beneficial Shareholders at the Meeting. Beneficial Shareholders have the right to appoint a person (who

need not be a Beneficial Shareholder of the Company), other than the person(s) designated in the VIF, to represent them at the Meeting. To exercise this right, Beneficial Shareholders should insert the name of the desired representative in the blank space provided in the VIF. The completed VIF must then be returned to BFS in the manner specified and in accordance with BFS's instructions. BFS then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of 360 Capital Shares to be represented at the Meeting. **If you receive a VIF from BFS, you cannot use it to vote 360 Capital Shares directly at the Meeting. The VIF must be completed and returned to BFS in accordance with its instructions, well in advance of the Meeting in order to have the 360 Capital Shares voted.**

Although as a Beneficial Shareholder you may not be recognized directly at the Meeting for the purposes of voting 360 Capital Shares registered in the name of your Intermediary, you, or a person designated by you, may attend at the Meeting as proxy holder for your Intermediary and vote your 360 Capital Shares in that capacity. If you wish to attend the Meeting and indirectly vote your 360 Capital Shares as proxy holder for your Intermediary, or have a person designated by you to do so, you should enter your own name, or the name of the person you wish to designate, in the blank space on the VIF provided to you and return the same to your Intermediary in accordance with the instructions provided by such Intermediary, well in advance of the Meeting.

Alternatively, you can request in writing that your broker send you a legal proxy which would enable you, or a person designated by you, to attend the Meeting and vote your 360 Capital Shares.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a Registered Shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the Registered Shareholder or the Registered Shareholder's authorized attorney in writing, or if the Registered Shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the Proxy bearing a later date to Computershare or at the office of the Company 440-890 West Pender Street, Vancouver, B.C V6C 1J9 at any time up to and including the last Business Day that precedes the date of the Meeting or, if the Meeting is adjourned or postponed, the last Business Day that precedes any reconvening thereof, or to the Chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law; or
- (b) personally attending the Meeting and voting the Registered Shareholder's 360 Capital Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company, or any person who has held such a position since the beginning of the last completed financial year—end of the Company, nor any nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting, other than the election of directors, the appointment of the auditor and as may be otherwise set out herein.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Except as otherwise disclosed herein, no informed person of the Company, proposed director of the Company or any associate or affiliate of an informed person or proposed director, has any material interest, direct or indirect, in any transaction since the commencement of the Company's most recently completed financial year or in any proposed transaction which has materially affected or would materially affect the Company or any of its subsidiaries.

The board proposes that the shareholders approve the share consolidation by ordinary resolution.

Resolution

At the Meeting, shareholders will be asked to consider and, if deemed appropriate, to pass the following resolutions substantially in the form written below:

“RESOLVED THAT,

1. The issued and fully paid common shares of the Company (the “Pre-Consolidation Shares”) be consolidated (the “Consolidation”) on the basis of one (1) new common share (the “Consolidated Shares”) for up to each ten (10) Pre-Consolidated Shares;

5. The board of directors is authorized to proceed to implement the foregoing resolution as of such date as the Board may at any time determine or to decide not to proceed with the Consolidation, if, in its sole discretion, it deems it inadvisable, without further notice to or approval of the shareholders of the Company.”

Recommendation

The Board of Directors recommends that shareholders vote FOR the Consolidation Resolution. Unless otherwise instructed, the person named as proxyholder in the enclosed form of proxy intends to vote in favour of the Consolidation Resolution.

CORPORATE GOVERNANCE

General

The Board believes that good corporate governance improves corporate performance and benefits all shareholders. National Instrument 58-101 Disclosure of Corporate Governance Practices prescribes certain disclosure by the Company of its corporate governance practices. This section sets out the Company’s approach to corporate governance and addresses the Company’s compliance with National Instrument 58-101.

Board of Directors

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A “material relationship” is a relationship, which could, in the view of the Company’s Board of Directors, be reasonably expected to interfere with the exercise of a director’s independent judgment.

The board facilitates its independent supervision over management by holding periodic board meetings to discuss the operations of the Company.

The non-independent directors by virtue of holding management positions with the Company are David Stadnyk, President and Chief Executive Officer, Nikita Chou, Senior Vice President, and John Gan, Executive Vice-President and former CEO of the Company.

Ullrich Schade and Donald Gordon are independent members of the Board of Directors of the Company.

After the Meeting Ullrich Schade and George Tsafalas are expected to be independent members of the Board of Directors of the Company.

Directorships

The following is the information about directorships of the current and proposed directors of the Company in other reporting issuers.

Mr. Gan is a director or officer of several reporting issuers that are not listed on any stock exchange: Atikin Investment Inc., CGSG Inc., and Plenus Investment Inc.

Ms. Chou is a director of CGSG Investment Inc., a reporting issuer that is not listed on any stock exchange.

Mr. Schade is a director of Atikin Investment Inc., a reporting issuer that is not listed on any stock exchange.

Mr. Stadnyk is not a director of any other reporting issuers.

Mr. Tsafalas is a director of QuikFlo Health Inc.

Mr. Gordon is a director or officer of the following public companies: Rift Valley Resources Corp., Aida Minerals Ltd., Premier Health Group Ltd., Web Watcher Systems Ltd., 0941092 B.C. Ltd, Alternative Extracts Inc., BioDE Ventures Ltd. and BioHEP Technologies Ltd.

Orientation and Continuing Education

When new directors are appointed they receive orientation, commensurate with their previous experience, on the Company's business and industry and on the responsibilities of directors. Board meetings may also include presentations by the Company's management and employees to give the directors additional insight into the Company's business. Directors are encouraged to take continuing education courses to enhance their knowledge of corporate governance

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual directors' participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience. The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

Compensation

The Board, as a whole, determines compensation for the directors and the Chief Executive Officer. The compensation is discussed and determined during board meetings. The following criteria have been taken into consideration while determining compensation: financial position of the Company, amount of time spent on the business of the Company, qualifications of directors and the Chief Executive Officer and organizational commitment.

Other Board Committees

The Board has no other committees other than the audit committee.

Assessments

The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and committees.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Company relies on the board of directors in determining executive compensation and option based awards to executive officers. The objectives of the compensation program of the Company are attraction and retention of qualified executives, compensation for services, compensation for services, and developing the Company's projects.

The amount of compensation is determined by the board of directors.

During the previously completed financial year, the compensation consisted of cash and share based compensation. The Company has a stock option plan which it can utilize by granting stock options to its executive officers, directors and employees in the future.

Previous grants of option-based awards, the financial performance of the Company, the position of an executive officer and the amount of time spent on the affairs of the Company are taken into account when considering new stock option grants.

The board of directors considered the implications of the risks associated with the Company's compensation practices. The current situation of the financial markets has been identified as the major risk in implementing the compensation program of the Company.

The Company does not prohibit its executive officers to purchase financial instruments that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the executive officers of directors.

THE AUDIT COMMITTEE DISCLOSURE

National Instrument 52-110 (“NI 52-110”) requires the Company, as a venture issuer, to disclose annually in its Information Circular certain information concerning the constitution of its audit committee and its relationship with its independent auditor, as set forth in the following:

1. The Audit Committee’s Charter

The Audit Committee’s Charter of 360 Capital Financial Services Group Inc.

Purpose of the Committee

The purpose of the Audit Committee (the “Committee”) of the Board of Directors (the “Board”) of the Corporation is to provide an open avenue of communication between management, the Corporation’s independent auditor and the Board and to assist the Board in its oversight of:

- the integrity, adequacy and timeliness of the Corporation’s financial reporting and disclosure practices;
- the Corporation’s compliance with legal and regulatory requirements related to financial reporting; and
- the independence and performance of the Corporation’s independent auditor.

The Committee shall also perform any other activities consistent with this Charter, the Corporation’s charter documents and governing laws as the Committee or Board deems necessary or appropriate.

The Committee shall consist of at least three directors. Members of the Committee shall be appointed by the Board and may be removed by the Board in its discretion. The members of the Committee shall elect a Chairman from among their number. A majority of the members of the Committee must not be officers or employees of the Corporation or of an affiliate of the Corporation. The quorum for a meeting of the Committee is a majority of the members who are not officers or employees of the Corporation or of an affiliate of the Corporation. With the exception of the foregoing quorum requirement, the Committee may determine its own procedures.

The Committee’s role is one of oversight. Management is responsible for preparing the Corporation’s financial statements and other financial information and for the fair presentation of the information set forth in the financial statements in accordance with generally accepted accounting principles (“IFRS”). Management is also responsible for establishing internal controls and procedures and for maintaining the appropriate accounting and financial reporting principles and policies designed to assure compliance with accounting standards and all applicable laws and regulations.

The independent auditor’s responsibility is to audit the Corporation’s financial statements and provide its opinion, based on its audit conducted in accordance with generally accepted auditing standards, that the financial statements present fairly, in all material respects, the financial position, results of operations and cash flows of the Corporation in accordance with IFRS.

The Committee is responsible for recommending to the Board the independent auditor to be nominated for the purpose of auditing the Corporation’s financial statements, preparing or issuing an auditor’s report or performing other audit, review or attest services for the Corporation, and for reviewing and recommending the compensation of the independent auditor. The Committee is also directly responsible for the evaluation of and oversight of the work of the independent auditor. The independent auditor shall report directly to the Committee.

Authority and Responsibility

In addition to the foregoing, in performing its oversight responsibilities the Committee shall:

1. Monitor the adequacy of this Charter and recommend any proposed changes to the Board.
2. Review the appointments of the Corporation’s Chief Financial Officer and any other key financial executives involved in the financial reporting process.
3. Review with management and the independent auditor the adequacy and effectiveness of the Corporation’s accounting and financial controls and the adequacy and timeliness of its financial reporting processes.

4. Review with management and the independent auditor the annual financial statements and related documents and review with management the unaudited quarterly financial statements and related documents, prior to filing or distribution, including matters required to be reviewed under applicable legal or regulatory requirements.
5. Where appropriate and prior to release, review with management any news releases that disclose annual or interim financial results or contain other significant financial information that has not previously been released to the public.
6. Review the Corporation's financial reporting and accounting standards and principles and significant changes in such standards or principles or in their application, including key accounting decisions affecting the financial statements, alternatives thereto and the rationale for decisions made.
7. Review the quality and appropriateness of the accounting policies and the clarity of financial information and disclosure practices adopted by the Corporation, including consideration of the independent auditor's judgment about the quality and appropriateness of the Corporation's accounting policies. This review may include discussions with the independent auditor without the presence of management.
8. Review with management and the independent auditor significant related party transactions and potential conflicts of interest.
9. Pre-approve all non-audit services to be provided to the Corporation by the independent auditor.
