Toronto, ON – August 30, 2019 — Liberty Health Sciences Inc. (CSE: LHS) (OTCQX: [LHSIF](#)) (www.libertyhealthsciences.com) (“Liberty” or the “Company”), a provider of high quality cannabis, announced today that it will open its 17th dispensary in Panama City, Florida on September 3, 2019, subject to approval from the Florida Department of Health. This is Liberty’s first dispensary to open in Bay County.

Located at 809 Harrison Avenue Panama City, FL., the new dispensary will be open Monday through Friday, 10 a.m. to 7 p.m., Saturday, 10 a.m. to 5 p.m., and Sunday, 12 p.m. to 5 p.m. The new 2,700 square foot store includes a spacious retail and reception area along with two private consultation rooms and a large waiting room. Liberty’s Panama City dispensary will also feature locally inspired wall-art throughout the store on a rotating basis.

“We are delighted to inaugurate our 17th dispensary in this beautiful and historic Panama City location,” said Victor Mancebo, Interim Chief Executive Officer of Liberty. “Local officials have welcomed Liberty with open arms, and we are truly proud to assist in the economic recovery of one of Florida’s uniquely historic cities, following the aftermath of Hurricane Michael. Our patients in the panhandle will now have an additional location where they can source their medicinal products as we continue our strong pursuit in scaling our Florida operations and extending our dispensary count. We are also on track to open three additional dispensaries in September, subject to Florida Department of Health approval.”
