

Liberty Health Sciences Partners with VCC Brands to Bring Award-Winning Cannabis Infused Products to Florida

- Liberty to sell VCC Brands' portfolio of CBD and cannabis infused beverages and edibles spanning four separate categories in all Florida dispensaries (Subject to DOH approval)

Toronto, ON – September 14, 2020 — Liberty Health Sciences Inc. (CSE: LHS) (OTCQX: [LHSIF](https://www.lhsif.com)) www.libertyhealthsciences.com (“Liberty” or the “Company”), a provider of high-quality cannabis, announced today that it has entered into a licensing agreement with VCC Brands (VCC) www.VCCBrands.com. Also known as Venice Cookie Company, VCC is a leading manufacturer and distributor of CBD and cannabis infused beverage and edible products in the US. The agreement will bring VCC’s extensive line of edible products to Liberty’s network of dispensaries, once the products receive approval from the Florida Department of Health and the Florida Department of Agriculture.

VCC’s portfolio of products includes some of the industries most recognized consumer brands, including cookies, pretzels, lozenges, beverages (Cannabis Quenchers), teas, and tinctures.

“We continue to look for great companies and partners and we are thrilled to enter into this licensing agreement with VCC Brands so we can provide our customers with these one-of-a-kind award-winning products,” said Victor Mancebo, Chief Executive Officer of Liberty. “VCC’s portfolio brands, such as Venice Cookie Company, Cannabis Quencher, Subtle Tea, and One Tincture are extremely popular, and we are excited to be part of their expansion across Florida.”

VCC Brands prides itself on producing a consistent product that follows strict business standards and quality assurance initiatives. With an eye towards growing nationally recognizable brands that are relied upon for taste and potency, just like other packaged foods, the company created an in-house art and design team that develops all of its product line packaging to maintain branding consistency.

“VCC Brands looks forward to expanding the availability of its most sought-after THC products to the state as well,” said Kenny Morrison, Founder and CEO of VCC Brands. “Our heritage medical cannabis brands, Venice Cookie Company, and Cannabis Quencher should be a welcome addition to the Liberty lineup. From gummies to beverages, to baked goods and chocolate, VCC Brands makes cannabis health and wellness easy to drink and eat safely.”

VCC Brands products will be available, pending approvals, in October at all of the following Liberty locations:
