Vancouver, BC – June 28, 2019 - Meadow Bay Gold Corporation (“**Meadow Bay**” or the “**Company**”) (CSE:MAY) (OTCQB:MAYGF) (Frankfurt: 20M, WKN A1C3DN) announces it has entered into an Amalgamation Agreement (the “**Amalgamation Agreement**”) with Mountain Valley MD Inc. (“**MVMD**”) and 2700915 Ontario Inc. (“**Subco**”), a wholly-owned subsidiary of the Company, pursuant to which the Company will acquire all of the outstanding shares of MVMD in exchange for common shares of the Company (post 8-1 consolidation) on a one for one basis (the “**Proposed Transaction**”). The Proposed Transaction constitutes a fundamental change of Meadow Bay pursuant to the policies of the Canadian Securities Exchange (the “**CSE**”).

About MVMD

Mountain Valley MD Inc. is a private Ontario corporation, with innovative investments in the global cannabis sector focused on developing and optimizing the world’s leading medicinal cannabis ecosystem. MVMD focuses on the areas of research and development, manufacturing and marketing through strategic acquisitions and partnerships, for the purposes of generating a market-leading portfolio of high quality, vertically-integrated, sustainable cannabis assets.

MVMD, through its wholly owned subsidiary, holds an application with Health Canada for a licence to produce and sell high-quality strains of medical grade cannabis in British Columbia.

MVMD also owns 25% of Sativa Nativa S.A.S, a federally licensed cannabis producer in Colombia focused on the large-scale organic production of greenhouse cannabis flower and resin for local and international distribution.

MVMD has approximately 70.6 million Class “A” common voting shares and 132,520,307 Class “B” common shares, 8,288,500 stock options and 50,054,159 warrants issued and outstanding, all convertible securities to be exchangeable or convertible into common shares of the Meadow Bay upon completion of the Proposed Transaction in accordance with their terms. Pursuant to the terms of the Amalgamation Agreement, MVMD is entitled to issue additional securities prior to the completion of the Proposed Transaction in connection with additional agreements into which it has entered or may enter.

More comprehensive financial information regarding MVMD will be provided in a future news release.

Financings

In 2019 MVMD completed private placements in excess of \$10,000,000. Prior to or concurrently with completion of the Proposed Transaction, MVMD intends to complete one or more private placement financings (the “**MVMD Private Placement**”) on terms and conditions acceptable to the CSE and to be determined and disclosed hereafter.

Pursuant to the terms of the Amalgamation Agreement, MVMD is to provide a bridge loan financing (the “**Bridge Loan Financing**”) to Meadow Bay of \$350,000 by way of the purchase of 350 Meadow Bay convertible debenture units (the “**Convertible Debenture Units**”), with each such unit being comprised of one secured convertible debenture (a “**Convertible Debenture**”) in the principal amount of \$1,000 and 1,000 share purchase warrants (the “**Convertible Debenture Warrants**”). Each Convertible Debenture Warrant is to entitle the holder thereof to acquire one common share of Meadow Bay at a price of \$0.06 (\$0.48 per share on a post-consolidation basis) per share for a period of five years subject to CSE approval. Each Convertible Debenture is to have a maturity date of four years, with an interest rate of 10% per annum, with the principal and accrued interest to be convertible into units (“**Conversion Units**”) at a price of \$0.05 per unit (\$0.40 on a post-consolidation basis). Each Conversion Unit is to consist of one common share of Meadow Bay and one share purchase warrant (a “**Conversion Warrant**”), with each Conversion Warrant entitling the holder to acquire one common share of Meadow Bay at a price of \$0.06 per share for a period of five years. In addition, Meadow Bay may offer up to an additional 150 Convertible Debenture Units to raise additional gross proceeds of \$150,000, subject to MVMD having a right of first refusal to subscribe for such units. The aforementioned Bridge Loan Financing is subject to a 7% loan administration fee payable by Meadow Bay to or as directed by MVMD. The proceeds of the Bridge Loan Financing will be used to pay Meadow Bay’s professional fees and working capital expenditures.

Board and Management of Meadow Bay after the Proposed Transaction

It is anticipated that upon completion of the Proposed Transaction, all of the directors and officers of Meadow Bay will resign and will be replaced with nominees of MVMD.
