Item 5 Full Description of Material Change

5.1 Full Description of Material Change

The Company announced that it has further renewed the investor relations and marketing services agreement dated March 11, 2025 with OTB previously announced on March 12, 2025, July 7, 2025 and October 17, 2025 for the provision of IR Services. The Company and OTB entered into a third renewal agreement dated March 30, 2026) which renewed and extended the term of the original agreement to December 31, 2025 for no additional cost to the Company. The IR Services include social media, digital and influencer-based marketing, content creation and distribution across social channels that include Reddit, Discord, Telegram, X (formerly Twitter), and StockTwits, and other related investor communication and marketing services. OTB and its principals are arm’s length to the Company. OTB’s contact information is as follows: 2202 Green Orchard Place, Oakville, Ontario, L6H 4V4, attention: Jason Coles, email:

jason@outsidethebox.capital, telephone: 289-259-4455.

The Company also announced that it has discontinued additional development of REPELWRAP film and terminated the Standard License Agreement with McMaster with a termination notice signed by both parties on March 27, 2026, with an effective of February 1, 2026. Additionally, as the Company is now focused on advancing the new liquid coating formulation that was developed in collaboration with McMaster and led to the filing of a provisional patent announced on October 21, 2025, with FendX as the assignee, it has terminated the License Agreement with McMaster for the original liquid coating formulation, with a termination notice signed by both parties on March 27, 2026, with an effective date of February 2, 2026. These decisions align the Company's efforts with what it believes is the most commercially promising surface protection technology and eliminates future licensing payment obligations to McMaster.
