

Unaware of Any Material Change

FOR IMMEDIATE RELEASE:

Toronto, Canada - January 8, 2021 - At the request of IIROC, **TruTrace Technologies Inc. (CSE: TTT)** ("TruTrace" or the "Company") wishes to confirm that the Company's management is unaware of any material change in the Company's operations that would account for the recent increase in market activity. TruTrace is the creator of a fully integrated software platform, secured on a blockchain infrastructure that gives clients the ability to store, manage, share and immediately access quality assurance and testing details, as well as motion and movement intelligence on inventory).

Neither Canadian Securities Exchange nor its Regulation Services Provider (as that term is defined in the policies of the Canadian Securities Exchange) accepts responsibility for the adequacy or accuracy of this release.

About TruTrace Technologies www.trustrace.co:

TruTrace Technologies is the developer of a fully integrated software platform, secured on the blockchain, offering clients the ability to store, manage, share and immediately access quality assurance and testing details, COAs, as well as motion and movement intelligence on inventory. The platform was specifically designed to power the traceability of testing standards within the legal cannabis, nutraceutical, food and pharmaceutical space with a focus on the authentication of source materials or ingredients used in formulation.
