| <p><a href="#">Alternate Health Corp. (CSE:AHG)</a> is an international, vertically-integrated medical cannabis company. It has established multiple arms-length operations within the medical cannabis industry, each of which drives consumers, data and strategic opportunities to the company's other verticals. This sophisticated cross-integration of the company's enterprises has positioned Alternate Health as one of the only cannabis companies that delivers consistent revenue and intellectual property without growing, manufacturing or distributing the cannabis plant. Through its software solutions, data analytics, and patented delivery systems, Alternate Health's goal is to be the global authority on scientific and clinical support for cannabis in regulated markets. Alternate Health is well positioned to reinvest internal operating cash flow in its platform over the long term, creating an attractive investment profile for its shareholders. Alternate Health is differentiated from other cannabis companies by its focus on ancillary services for patients, healthcare professionals and regulatory providers rather than selling a commodity.</p> | 01-24-2017   |
