Company Name & Description	Listing Date
<p>1933 Industries Inc. (CSE:TGIF) is a Canadian public company, which owns and controls cannabis and hemp-based assets in Las Vegas Nevada as well as an international cannabis and mining security logistics consulting firm. The Company owns 91% of Alternative Medicine Association, LC (AMA), a licensed medical and adult-use cannabis cultivation and production facility that produces its own line of unique cannabis-based products and manufactures other third-party brands. Infused MFG, also a 91% owned subsidiary, produces hemp-based, CBD products, thoughtfully crafted of high quality organic botanical ingredients. The Company's wholly-owned subsidiary, Spire Secure Logistics is a leading provider of customized security programs, compliance, information technology, build-out design, and due diligence services for the legal cannabis, mining and investment sectors. Friday Night Inc. is focused on strengthening and expanding its current operations.</p>	06-16-2017
<p>Abattis Bioceuticals Corp. (CSE:ATT; OTC:ATTBF) is a specialty biotechnology company with capabilities through its wholly owned subsidiaries of cultivating, licensing and marketing proprietary ingredients, bio-similar compounds, patented equipment and consulting services to medicinal markets in North America. The Company is positioned to capitalize on the fast growing trend toward marijuana legalization in the United States and for medicinal use in Canada and international jurisdictions, by supplying and partnering with companies to employ its mass cultivation systems, extraction equipment/technology, and strategic marketing support to licensed growers. The Company also has an extensive pipeline of high-quality products and intellectual property for the rapidly expanding botanical drug market. We follow strict standard operating protocols, and adhere to the applicable laws of Canada and foreign jurisdictions.</p>	12-23-2010
<p>Acreage Holdings, Inc. Subordinate Voting Shares (CSE:ACRG.U) is a vertically integrated, multi-state owner of cannabis licenses and assets in U.S. states where either medical and/or adult use of cannabis is legal. With one of the largest geographic footprints of any cannabis company, it currently owns and/or operates cultivation, processing and dispensary operations. Acreage is dedicated to building and scaling operations to create a seamless, consumer-focused branded cannabis experience.</p>	11-15-2018
<p>Affinor Growers Inc. (CSE:AFI; OTC:RSSFF) is focused on the design, development and commercialization of vertical farming technology for both indoor and outdoor (greenhouse) applications. The team is currently working on demand crops such as romaine lettuce and strawberries by developing processes, methods and models to cultivate true perpetual crops at competitive pricing. It is the mission of Affinor to be the world-wide technology and market leader in creating and commercializing the most economical vertical farming technologies that use the least possible resources (eg. land, water, and energy resources) to produce the highest quality pesticide-free produce year-round, regardless of environmental conditions. Affinor's patent technology and licensed patent pending technology positions the Company well in the vertical farming industry. It is the only vertically integrated technology that can offer patented inline automated pollination for fruiting crops. Affinor can offer software driven growing solutions automating high quality, scientifically engineered products and process.</p>	10-09-2012
<p>Alliance Growers Corp. (CSE:ACG) is a diversified cannabis company driven by the Company's 'Four Pillars' Organization Plan- MMPR cannabis production facilities, distribution network, consumer products and research and development. The company was incorporated in 2014. Alliance Growers' head office is in Vancouver, BC and its interest in a marijuana production facility is in Kelowna, BC. For further information please visit the Company's corporate website at www.alliancegrowers.com</p>	06-22-2015

Company Name & Description	Listing Date
<p>Alternate Health Corp. (CSE:AHG; OTC:ATEHF) is an international, vertically-integrated medical cannabis company. It has established multiple arms-length operations within the medical cannabis industry, each of which drives consumers, data and strategic opportunities to the company's other verticals. This sophisticated cross-integration of the company's enterprises has positioned Alternate Health as one of the only cannabis companies that delivers consistent revenue and intellectual property without growing, manufacturing or distributing the cannabis plant. Through its software solutions, data analytics, and patented delivery systems, Alternate Health's goal is to be the global authority on scientific and clinical support for cannabis in regulated markets. Alternate Health is well positioned to reinvest internal operating cash flow in its platform over the long term, creating an attractive investment profile for its shareholders. Alternate Health is differentiated from other cannabis companies by its focus on ancillary services for patients, healthcare professionals and regulatory providers rather than selling a commodity. For more information about Alternate Health Corp., visit www.alternatehealth.ca.</p>	01-19-2017
<p>AREV Nutrition Sciences Inc. (CSE:AREV) owns an innovative line of emulsified 100% coconut derived MCT oil combined with Whey Protein to serve as base ingredients. The product line trademarked as COCO-MULSION will be sold online and distributed through Natural Health and Sport Nutrition stores. The COCO-MULSION products have been registered with Health Canada and target specific health benefits. The first two products to be released for distribution in February 2017 are the COCO-MULSION Original (providing a boost of energy and antioxidants) and COCO-MULSION Brain (improving cognitive behavior).</p>	07-12-2007
<p>Australis Capital Inc. (CSE:AUSA) identifies and invests in the cannabis industry predominately in the United States, a highly regulated, fragmented, rapidly expanding and evolving industry. Investments may include and are not limited to equity, debt or other securities of both public and private companies, financings in exchange for royalties or other distribution streams, and control stake acquisitions. Australis Capital adheres to stringent investment criteria and will focus on significant near and mid-term high-quality opportunities with strong return potentials while maintaining a steadfast commitment to governance and community. Australis Capital's Board, Management and Advisory Committee members have material experience with, and knowledge of, the cannabis space in the U.S., extensive backgrounds in highly regulated industries, adherence to stringent regulatory compliance, public company and operational expertise.</p>	09-18-2018
<p>Beleave Inc. (CSE:BE) is a biotech company focused on the production of medical marijuana in Canada. The Company's wholly-owned subsidiary Beleave Kannabis Corp. (formerly First Access Medical Inc.) has received a license to cultivate medical marijuana at its facility pursuant to the Access to Cannabis for Medical Purposes Regulations outlined by Health Canada. The Company is actively working towards its sales license, the development of patents through research with Canadian institutions and the research and development of smoke harm reduction products.</p>	12-31-2015
<p>Belgravia Capital International Inc. (CSE:BLGV) is focused on the provision of clearly value-added services to the international Cannabis industry. This includes the production of specialized organic fertilizers for Cannabis Sativa plants, and the organization and development of blockchain technology software for seed to sale tracking and quality attestation of intermediate and consumer products. The wholly owned subsidiary of Belgravia, ICP Organics, is a research and development company incorporating agronomic and health perspectives in the Cannabis space. Blockchain technology, with its ability to provide robust and immutable histories of product tracking and also low cost integrated data bases for the Cannabis industry, is an ideal value-added approach to generating profitable Cannabis production and distribution activities. Belgravia is also developing a royalty-streaming subsidiary.</p>	11-23-2017
<p>Benchmark Botanics Inc. (CSE:BBT) through its wholly-owned subsidiary, Potanicals Green Growers Inc., is a licensed producer of medical marijuana under Access to Cannabis for Medical Purposes Regulations. Potanicals received its producer's license from Health Canada on October 13, 2017. Benchmark, through Potanicals, will produce medical marijuana at its facility located in Peachland, British Columbia.</p>	11-03-2017

Company Name & Description	Listing Date
<p>Biome Grow Inc. (CSE: BIO) is structured to be a centrally run business with cannabis production and distribution assets that are designed for certain Canadian provinces where there is a competitive advantage over large, national incumbent cannabis producers. Biome currently has four wholly-owned subsidiaries including: Highland Grow Inc., a licensed producer in Nova Scotia under Canada's ACMPR; P-209 Inc., a company incorporated under the laws of the Province of Ontario and in the late stages of applying for a license under the ACMPR; The Back Home Medical Cannabis Corporation, a company incorporated under the laws of the Province of Newfoundland and Labrador and in the late stages of applying for a license under the ACMPR; and, Weed Virtual Retail Inc., a company incorporated under the laws of the Province of Ontario in the business of operating a new virtual reality technology platform focused exclusively on the medical and recreational cannabis markets.</p>	06-13-2014
<p>BLVD Centers Corporation (CSE: BLVD) has operations in the US inpatient (detox and residential) and outpatient rehabilitation market and serves clients with addictive and co-occurring disorders, and offers a line of marijuana lifestyle management supplements. While BLVD continues to focus on its traditional services it is exploring the possibility of expanding its addition treatment services and product offering in the marijuana space in some capacity to be determined.</p>	06-26-2018
<p>BlissCo Cannabis Corp. (CSE: BLIS) owns, through its wholly-owned subsidiary BlissCo Holdings Ltd., a license to produce marijuana under the Access to Cannabis for Medical Purposes Regulations (ACMPR) which was originally granted on March 29, 2018. BlissCo began growing medical cannabis in early May 2018 and applied to Health Canada to amend its ACMPR license to include cannabis oil production in early June 2018. BlissCo is projected to have a sales license inspection from Health Canada in August 2018 and earn a sales license in September 2018 to sell dried cannabis. BlissCo's value proposition is to be a brand focused high-volume distributor, processor and packager of medical cannabis and adult use cannabis when it is legal in Canada. BlissCo will be processing and distributing cannabis purchased from multiple supply agreements and from cannabis grown at its own start of the art facility in Metro Vancouver, B.C. BlissCo is currently exploring brand expansion opportunities in multiple international markets where medical cannabis is federally legal. Management is focused on establishing BlissCo as an iconic Canadian cannabis brand.</p>	03-02-2018
<p>Body and Mind Inc. (CSE: BMM) through its wholly owned subsidiary, Nevada Medical Group LLC, cultivates and retails flower, oil extracts, and edible cannabis related products, from its 20,000 square foot facility located in Clark County, Nevada. The products are distributed under the "Body and Mind" brand which has become successfully recognized on industry related websites such as Weedmaps.</p>	12-22-2011
<p>C21 Investments Inc. (CSE: CXXI), is a vertically integrated cannabis company with newly acquired operations in Oregon, U.S.A. C21's strategy is to acquire existing cannabis operations in the U.S.A. and globally, with experienced management teams in place. C21's focus is to expand where it can wholly own indoor/outdoor cultivation operations, processing/extraction facilities, bakeries, branded products, and retail dispensaries with a large distribution network.</p>	06-18-2018
<p>Canada House Wellness Group Inc. (CSE: CHV), is the parent company of 672800 NB Inc. doing business as Marijuana for Trauma Inc., Knalysis Technologies Inc. and Abba Medix Corp. Through their vertically integrated subsidiaries, the Company's goal is to become a marketplace leader in the delivery and support of evidence based, client focused cannabinoid therapy. For more information please visit www.canadahouse.ca.</p>	11-09-2016
<p>Cannabis Growth Opportunity Corporation (CSE: CGOC) is an investment corporation which seeks to provide shareholders long-term total return through capital appreciation by investing in an actively managed portfolio of securities of public and private companies operating in, or that derive a significant portion of their revenue or earnings from, products or services related to the cannabis industry.</p>	01-26-2017

Company Name & Description	Listing Date
