FSD Pharma Inc. (CSE:HUGE) owns, through its wholly-owned subsidiary FV Pharma Inc., a license to produce marijuana under the Access to Cannabis for Medical Purposes Regulations (ACMPR) which was originally granted on October 13, 2017. Headquartered at the former Kraft plant in Cobourg, Ontario, approximately an hour's drive from Toronto, FSD Pharma's management's mission is to transform the facility into the largest hydroponic indoor cannabis facility in the world. FSD Pharma intends to target all legal aspects of the cannabis industry, including cultivation, processing, manufacturing, extracts and research and development.	05-29-2018
Future Farm Technologies Inc. (CSE:FFT; OTC:AGSTF) is rapidly becoming a leading indoor plant growth technology company specializing in LED lighting and vertical farming solutions. Future Farm's business model includes developing and acquiring technologies that will further its position as a leader in the evolving Controlled Environment Agriculture (CEA) market for the global production of various types of plants. The Company holds a worldwide license to use a patented vertical farming technology that, when compared to traditional plant production methods, generate yields up to 10 times greater per square foot of land. The contained system provides many other benefits including seed to sale security, scalability, consistency due to year-round production, cost control, product safety and purity by eliminating environmental variability.	02-17-2016
Gabiella's Kitchen Inc. (CSE:GABY) [US company] is a pure-play cannabis wellness company. With its existing infrastructure of major retailers and an extensive broker and distribution network, Gabiella's Kitchen is positioned to service mainstream grocery with CBD infused products, and licensed cannabis retailers with CBD and THC infused products throughout Canada and the United States. The Company's non-infused products are currently available in more than 3,400 major retail stores across the U.S. and Canada.	09-05-2018
Global Cannabis Application Corp. (CSE:APP; OTCQB:FUAPF) is a global leader in designing, developing, marketing, and acquiring innovative mobile applications. Used in over 25 countries, Global Cannabis' apps facilitate the evolution of conversation by like-minded people in a digital environment. Managed by digital industry experts, Global Cannabis is focused on global expansion and providing the best user experience in each target market. Its leading mobile platforms are Citizen Green, a platform dedicated to the digital world of all things cannabis; Foro, a peer-to-peer mobile ecommerce student marketplace; Opinit, an app that enables users to socially share their favourite online sentiment-driven content; and Truth, a one-to-one anonymous messaging app.	09-18-2017
Global Health Clinics Ltd. (CSE:MJRX) operates a two-part system of customer lead generation and conversion, through its network of pavilions and the ownership and operation of five medical clinics that aim to connect Canadians with ACMPR license producers by advancing the understanding of medical cannabis and its applications, and the provision of related services and products for patients suffering from illness from which they may find relief with medical cannabis, including facilitating access to qualified health care practitioners, independent medical cannabis evaluations and related advice. Through its pavilions, the company is developing a substantive consumer database of persons interested in both medicinal and recreational use.	08-16-2013
Global Hemp Group Inc. (CSE:GHG; OTC:GBHPF) [US company], headquartered in Vancouver, British Columbia, Canada, with base operations in Montreal and Los Angeles, was founded in 2014. The Company is focused on a multi-phased strategy to build a strong presence in the industrial hemp industry in both Canada and the United States. The first phase of this strategy is to develop hemp cultivation with the objective of extracting cannabinoids (CBD, CBG, CBN & CBC) and creating a near term revenue stream that will allow the Company to expand and develop successive phases of the strategy. The second phase of the plan will focus on the development of value-added industrial products utilizing the processing of the whole hemp plant, as envisioned in the Company's Hemp Agro-Industrial Zone (HAIZ) strategy.	08-19-2010
