MANAGEMENT INFORMATION CIRCULAR

IMPORTANT NOTICE

THE ANNUAL GENERAL MEETING OF SHAREHOLDERS OF VICTORY SQUARE TECHNOLOGIES INC. WILL BE A VIRTUAL MEETING ONLY. YOU WILL NOT BE ABLE TO ATTEND THE MEETING PHYSICALLY DUE TO OUTBREAK OF NOVEL CORONAVIRUS

The information contained in this management information circular (this “**Information Circular**”) is as of October 30, 2020, unless otherwise noted.

This Information Circular is being mailed by the management of Victory Square Technologies Inc. to holders of common shares of the Company (“Shareholders”) of record as at the close of business on October 30, 2020, which is the date that has been fixed by the directors of the Company as the record date to determine the Shareholders who are entitled to receive notice of the meeting. The Company is mailing this Information Circular in connection with the solicitation of proxies by and on behalf of the Company for use at its annual general meeting (the “**Meeting**”) of the Shareholders, that is to be held virtually on Friday, December 4, 2020, at 10:00 a.m. (Pacific Standard Time). The solicitation of proxies will be primarily by mail. Certain employees or directors of the Company may also solicit proxies by telephone or in person. The cost of solicitation will be borne by the Company.

In this Information Circular, references to the “**Company**”, “**we**”, “**our**” and “**Victory Square**” refer to Victory Square Technologies Inc. “**Common Shares**” means common shares in the capital of the Company. “**Beneficial Shareholders**” means holders of Common Shares who do not hold their Common Shares in their own name and “**Intermediaries**”, as defined herein, refers to brokers, investment firms, clearing houses and similar entities that hold securities on behalf of Beneficial Shareholders.

The Company is not relying on the “notice-and-access” delivery procedures outlined in NI 54-101 to distribute copies of proxy-related materials in connection with the Meeting by posting them on a website.

SECTION 1 – GENERAL PROXY AND VOTING INFORMATION

SOLICITATION OF PROXIES

This Information Circular and related materials in relation to the Meeting, including proxy-related materials (collectively, the “**Meeting Materials**”) are being sent directly to registered holders of Common Shares and indirectly to non-objecting beneficial owners of Common Shares in accordance with National Instrument 54-101, *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”).

You may receive multiple packages of Meeting Materials if you hold Common Shares through more than one broker, intermediary, trustee or other nominee (“**Intermediary**” or “**Intermediaries**”, as appropriate), or if you are both a registered Shareholder and a non-registered Shareholder for different shareholdings. You should repeat the steps to vote through a proxy or VIF (as defined herein), appoint a proxyholder or attend the Meeting, if desired, separately for each shareholding to ensure that all the Common Shares from your various shareholdings are represented and voted at the Meeting.

As the Company does not intend to pay proximate Intermediaries to send the Meeting Materials to objecting beneficial owners of Common Shares of the Company, also in accordance with NI 54-101 and Form 54-101F7, *Request for Voting Instructions Made by Intermediary*, objecting beneficial owners will not receive the Meeting Materials unless the objecting beneficial owners' Intermediaries assume the cost of delivery.

WHO CAN VOTE

If you are a registered Shareholder of the Company as at **October 30, 2020**, you are entitled to notice of and to attend at the Meeting and cast a vote for each share registered in your name on all resolutions put before the Meeting. If the shares are registered in the name of a corporation, a duly authorized officer of that corporation may attend on its behalf but documentation indicating such officer's authority should be presented at the Meeting. If you are a registered Shareholder but do not wish to, or cannot, attend the Meeting you can appoint someone who will attend the Meeting and act as your proxyholder to vote in accordance with your instructions (see "*Voting By Proxy*" below). If your shares are registered in the name of a "nominee" (usually a bank, trust company, securities dealer, financial institution or other intermediary) you should refer to the section entitled "**Non-Registered Shareholders**" set out below.

It is important that your shares be represented at the Meeting regardless of the number of shares you hold. If you will not be attending the Meeting, we invite you to complete, date, sign and return your form of proxy as soon as possible so that your shares will be represented.

VOTING BY PROXY

If you do not come to the Meeting, you can still make your votes count by appointing someone who will be there to act as your proxyholder. You can either tell that person how you want to vote or you can let him or her decide for you. You can do this by completing a form of proxy.

In order to be valid, you must return the completed form of proxy to the Company's transfer agent, Computershare Investor Services Inc., located at 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, Attention: Proxy Department, or by fax within North America at 1-866-249-7775 or outside North America at 1-416-263-9524, or by Internet voting (www.investorvote.com), not later than 48 hours, excluding Saturdays, Sundays and holidays, prior to the time fixed for the Meeting or any adjournments thereof.

WHAT IS A PROXY

A form of proxy is a document that authorizes someone to attend the Meeting and cast your votes for you. We have enclosed a form of proxy with this Information Circular. You should use it to appoint a proxyholder, although you can also use any other legal form of proxy. **[NTD: company to provide form of proxy if MLT is to review it]**

APPOINTMENT OF PROXYHOLDERS

The persons named as management proxyholders to represent registered Shareholders at the Meeting are Shafin Diamond Tejani, Chief Executive Officer and a director of the Company, Sheri Rempel, Chief Financial Officer of the Company and Howard Blank, a director of the Company (collectively, the "**Management Proxyholders**").

A Shareholder wishing to appoint some other person or company (who need not be a Shareholder) to represent him or her at the Meeting has the right to do so, either by inserting such person's or company's name in the blank space provided in the form of proxy or by completing another form of proxy. Such a Shareholder should notify the nominee of his or her appointment, obtain his or her consent to act as proxy and instruct him or her on how the Shareholder's Common Shares are to be voted or withheld from voting. In any case, the form of proxy should be dated and executed by the

Shareholder or his/her attorney authorized in writing, or if the Shareholder is a company, under its corporate seal, or by an officer or attorney thereof duly authorized.

Similar procedures should be followed by a non-registered Shareholder with respect to the completion of a voting instruction form (“VIF”) provided by such Shareholder’s Intermediary, although the Shareholder should read the instructions on his or her VIF and, if necessary, confirm the instructions with his or her Intermediary. If a non-registered Shareholder wishes to attend the Meeting to vote in person, the Shareholder must instruct the Intermediary to appoint him or her as a proxyholder.

A proxy will not be valid for the Meeting or any adjournment thereof unless the completed, signed and dated form of proxy is delivered to the office of Computershare Investor Services Inc. by mail or by hand at 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, not later than 48 hours (excluding Saturdays, Sundays and holidays) before the commencement of the Meeting.

Instructing Your Proxy

You may indicate on your form of proxy how you wish your proxyholder to vote your shares or withhold them from voting. To do this, simply mark the appropriate boxes on the form of proxy. If you do this, your proxyholder must vote your shares or withhold them from voting in accordance with the instructions you have given.

If you do not give any instructions as to how to vote on a particular issue to be decided at the Meeting, your proxyholder can vote your shares as he or she thinks fit. If you have appointed the persons designated in the form of proxy as your proxyholder they will, unless you give contrary instructions, vote your shares IN FAVOUR of each of the items of business being considered at the Meeting.

For more information about these matters, see Section 3 – Particulars of Matters to be Acted Upon. **The enclosed form of proxy gives the persons named on it the authority to use their discretion in voting on amendments or variations to matters identified in the Notice of Meeting.** At the time of printing this Information Circular, management of the Company is not aware of any other matter to be presented for action at the Meeting. If, however, other matters do properly come before the Meeting, the persons named on the enclosed form of proxy will vote on them in accordance with their best judgment, pursuant to the discretionary authority conferred by the form of proxy with respect to such matters.

Changing Your Mind

If you want to revoke your proxy after you have delivered it, you can do so at any time before it is used. You may do this by: (a) attending the Meeting via teleconference and voting in person; (b) signing a proxy bearing a later date; (c) signing a written statement which indicates, clearly, that you want to revoke your proxy and delivering this signed written statement to the Company at Suite 1080, 789 West Pender Street, Vancouver, British Columbia, Canada V6C 1H2; or (d) in any other manner permitted by law.

Your proxy will only be revoked if a revocation is received by 5:00 p.m. (Vancouver time) on the last business day before the day of the Meeting, or any adjournment thereof, or delivered to the person presiding at the Meeting before it (or any adjournment) commences. If you revoke your proxy and do not replace it with another that is deposited with us before the deadline, you can still vote your shares but to do so you must attend the Meeting via teleconference. **Only registered Shareholders may revoke a proxy. If your shares are not registered in your own name and you wish to change your vote, you must arrange for your nominee to revoke your proxy on your behalf (see below under “Non-Registered Shareholders”).**

REGISTERED SHAREHOLDERS

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting via teleconference. Registered Shareholders electing to submit a proxy may do so by completing the form of proxy and returning it to the Company's transfer agent, Computershare Investor Services Inc. located at 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, no later than 10:00 am on Wednesday, December 4, 2020, or at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) before the time and date of any adjournment or postponement of the Meeting.

NON-REGISTERED SHAREHOLDERS

The following information is of significant importance to Shareholders of the Company who do not hold shares in their own name. These Shareholders are called Beneficial Shareholders. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered Shareholders (those whose names appear on the records of the Company as the registered holders of shares).

If shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In the United States the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many United States brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from beneficial Shareholders in advance of Shareholders' meetings. Every Intermediary has its own mailing procedures and provides its own return instructions to clients.

IF YOU ARE A BENEFICIAL SHAREHOLDER

You should carefully follow the instructions of your broker or Intermediary in order to ensure that your Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the proxy provided to registered Shareholders by the Company. However, its purpose is limited to instructing the Intermediary on how to vote on your behalf. Many brokers delegate responsibility for obtaining instructions from clients to an investor communication service ("ICS") in Canada/the United States. The ICS will typically mail a voting instruction form in lieu of a proxy provided by the Company. The voting instruction form will name the same persons as the Company's Proxy to represent you at the Meeting. **You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than the persons designated in the voting instruction form, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the voting instruction form.** The completed voting instruction form must then be returned to the ICS by mail or facsimile or given to the ICS by phone or over the internet, in accordance with the ICS' instructions. The ICS then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. If you receive a voting instruction form from an ICS, you cannot use it to vote Common Shares directly at the Meeting - the voting instruction form must be completed and returned to the ICS, in accordance with its instructions, well in advance of the Meeting in order to have the Common Shares voted.

Although as a beneficial Shareholder you may not be recognized directly at the Meeting for the purposes

of voting Common Shares registered in the name of your broker, you, or a person designated by you, may attend at the Meeting as proxy holder for your broker and vote your Common Shares in that capacity. If you wish to attend at the Meeting and indirectly vote your Common Shares as proxy holder for your broker, or have a person designated by you do so, you should enter your own name, or the name of the person you wish to designate, in the blank space on the voting instruction form provided to you and return the same to your broker in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, you can request in writing that your broker send you a legal proxy which would enable you, or a person designated by you, to attend at the Meeting and vote your Common Shares.

This Information Circular and related material is being sent to both registered and non-registered owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf.

By choosing to send these materials to you directly the Company (and not the Intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you and (ii) executing your proper voting instructions. Please return your voting instructions as specified in your request for voting instructions.

REVOCAION OF PROXIES

Shareholders may revoke their proxies or voting instructions as follows. Proxies of registered Shareholders submitted by mail, telephone or through the Internet using a form of proxy may be revoked by submitting a new proxy to Computershare Investor Services Inc. by mail or by hand at 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, not later than 48 hours (excluding Saturdays, Sundays and holidays) prior to the commencement of the Meeting, or one business day before any adjournment of the Meeting. Alternatively, a registered Shareholder who wishes to revoke a proxy may do so by depositing an instrument in writing addressed to the attention of the Chief Executive Officer and executed by the Shareholder or by the Shareholder's attorney authorized in writing. Such an instrument must be deposited at the registered office of the Company, located at Suite 1080, 789 West Pender Street, Vancouver, British Columbia, Canada, V6C 1H2, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used. On the day of the Meeting or any adjournment thereof, a registered Shareholder may revoke a proxy by depositing such an instrument in writing with the Chairman of the Meeting; however, it will not be effective with respect to any matter on which a vote has already been cast. In addition, a proxy may be revoked by any other manner permitted by law.

Non-registered Shareholders should contact the Intermediary through which they hold Common Shares in order to obtain instructions regarding the procedures for the revocation of any voting instructions that they previously provided to their Intermediary.

RECORD DATE AND QUORUM

The Company has set the close of business on October 30, 2020, as the record date (the "**Record Date**") for the Meeting. Only the Shareholders of record as at the Record Date are entitled to receive notice of and to vote at the Meeting, unless after that date a Shareholder of record transfers his or her Common Shares and the transferee, upon producing properly endorsed certificates evidencing such shares or otherwise establishing that he or she owns such shares, requests at least ten (10) days prior to the Meeting that the transferee's name be included in the list of Shareholders entitled to vote, in which case such transferee is entitled to vote such shares at the Meeting.

Under the Articles of the Company, subject to the special rights and restrictions attached to the shares of any class or series of shares, the quorum for the transaction of business at the Meeting is one Shareholder present in person (or, being a corporation, partnership, trust, or other non-individual legal entity represented in accordance with the provisions of the *Business Corporations Act* (British Columbia), as amended (the "*BCBCA*")), or by proxy holding not less than one voting share of the Company entitled to be voted at the Meeting.

NOTICE TO SHAREHOLDERS IN THE UNITED STATES

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States *Securities Exchange Act of 1934*, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws. The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *BCBCA*, certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

The Stock Option Plan contains provisions such that:

The Stock Option Plan is administered by the Company's Board of Directors, which, subject to the limitations of the Stock Option Plan, has the authority to:

- (a) grant options to purchase Common Shares to eligible persons;
- (b) determine the terms, limitations, restrictions and conditions respecting such grants;
- (c) interpret the Stock Option Plan and adopt, amend and rescind such administrative guidelines and other rules and regulations relating to the Stock Option Plan as it shall from time to time deem advisable; and

Pursuant to the Stock Option Plan and subject to a minimum price of \$0.10 per Common Share, the exercise price of an option is set by the Board and cannot be less than the closing market price of the Common Shares on the trading day immediately preceding the date of grant of the option, less any applicable discount allowed by the CSE.

Oversight and description of director and named executive officer compensation

The Company does not have a formal compensation program. The Company currently does not pay directors who are not employees or officers of the Company for attending directors' meetings or for serving on committees. virtue of the fact that it is a technology company without a history of earnings.

In the future the Company may grant a NEO stock options under the Stock Option Plan. A determination to make such grants may take into account the level of responsibility of the NEO as well as his or her impact and/or contribution to the operating performance of the Company, as well as the number of stock options, if any, previously granted to each NEO, and the exercise price of any outstanding stock options to ensure that such grants are in accordance with the policies of the CSE and to align the interests of the executive officers with the interests of the Shareholders.

The Board may also award bonuses to its NEOs. The amount and award of such bonuses is discretionary, depending on, among other factors, the financial performance of the Company and the position of a NEO.

The board delegates to management responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company's business in the ordinary course, managing the Company's cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements. The board also looks to management to furnish recommendations respecting corporate objectives, long-term strategic plans and annual operating plans.

Independence

Section 1.4 of NI 52-110, sets out the standard for director independence. Under NI 52-110, a director is independent if he or she has no direct or indirect material relationship with the Company. A material relationship is a relationship which could, in the view of the Board of Directors, be reasonably expected to interfere with the exercise of a director's independent judgment. NI 52-110 also sets out certain situations where a director will automatically be considered to have a material relationship to the Company.

Applying the definition set out in NI 52-110, three of the four members of the Board are independent. The members considered independent are Thomas Mayenknecht, Peter Smyrniotis, and Howard Blank. The Company has not adopted a formalized process of orientation for new Board members. Orientation of new directors is conducted on an ad hoc basis.

Each new director of the Company is briefed about the nature of the Company's business, its corporate strategy and current issues within the Company and directors are kept informed as to matters impacting, or which may impact, the Company's operations through reports and presentations at Board meetings. New directors are encouraged to review the Company's public disclosure records as filed on SEDAR (www.sedar.com) and under its profile on the CSE website (www.thecse.com). Directors are also provided with access to management to better understand the operations of the Company, and to the Company's legal counsel to discuss their legal obligations as directors of the Company.

Ethical Business Conduct

The Board of Directors has a written code of ethical conduct for its directors, officers and employees. The Board is apprised of the activities of the Company and ensures that it conducts such activities in an ethical manner. The Board encourages and promotes an overall culture of ethical business conduct by promoting compliance with applicable laws, rules and regulations; providing guidance to consultants, officers and directors to help them recognize and deal with ethical issues; promoting a culture of open communication, honesty and accountability; and ensuring awareness of disciplinary actions for violations of ethical business conduct.

The Board of Directors is also required to comply with the conflict of interest provisions of the *Business Corporations Act* (British Columbia) and relevant securities regulation in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest. Any interested director is required to declare the nature and extent of his interest and is not entitled to vote on any matter that is the subject of the conflict of interest.

Nomination of Directors

The Board has established a Nominating Committee consisting of the Company's three independent directors - Thomas Mayenknecht, Peter Smyrniotis and Howard Blank - but no formal procedure with respect to the nomination of directors. In general, nominees will be the result of recruitment efforts by the Nominating Committee, management and all members of the Board, including both formal and informal discussions among members of the Board. The Company's management and Board members are in contact with individuals involved in the Company's line of business. From these sources, a number of contacts have been established and in the event that the Company requires any new directors, such individuals will be brought to the attention of the Board of Directors. The Company will conduct reference and background checks on suitable candidates. New nominees generally must have a track record in business management, areas of strategic interest to the Company, the ability to devote the time required to carry out the obligations and responsibilities of a director and a willingness to serve in that capacity.

Compensation

The Board has established a Compensation Committee consisting of the Company's three independent directors - Peter Smyrniotis, Thomas Mayenknecht and Howard Blank – but no formal procedure with

respect to determining compensation for the Company's directors and executive officers. At present, the Board of Directors, as a whole, considering recommendations made by the Compensation Committee, determines the compensation of the Company's executive officers and does so with reference to industry standards and the financial situation of the Company. The Board of Directors has the sole responsibility for determining the compensation of the directors of the Company.

The Compensation Committee and the Board of Directors, as a whole, monitors and reviews salaries and benefits of the executive officers of the Company.

Board Committees

The Board is actively involved in the operations of the Company and has established the aforementioned Compensation Committee and Nominating Committee in addition to the Audit Committee.

The Board is responsible for the stewardship of the Company through the supervision of the business and management of the Company. This mandate is accomplished directly and through the Audit Committee. The Audit Committee facilitates effective Board decision-making by providing recommendations to the Board on matters within its responsibility.

Assessments

The board has not, as yet, established procedures to formally review the contributions of individual directors. The Board annually reviews its own performance and effectiveness as well as reviews the Audit Committee Charter and recommends revisions as necessary. Neither the Company nor the Board has adopted formal procedures to regularly assess the Board, the Audit Committee or the individual directors as to their effectiveness and contribution. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of individual directors are informally monitored by the other Board members, bearing in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

The Board of Directors monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and its committees.

The Board believes its corporate governance practices are appropriate and effective for the Company, given its size and operations. The Company's corporate governance practice allows the Company to operate efficiently, with checks and balances that control and monitor management and corporate functions without excessive administrative burden.
