

VirtualArmour International Inc. Announces Update to its Annual Filings

Centennial, Colorado – April 27, 2020 – VirtualArmour International Inc. (CSE:VAI) (OTCQB:VTLR) (the “Company”), a premier cybersecurity managed services provider, announces that, as a result of the COVID-19 pandemic, it will be relying on the coordinated relief provided by the securities regulators which consists of a 45-day extension for certain periodic filings, as announced by the Canadian Securities Administrators (“CSA”) on March 18, 2020, with respect to the filing of its annual financial statements, management's discussion and analysis, and related officer certificates for its financial year ended December 31, 2019.

The notice released by the CSA stated that securities regulators will be providing coordinated relief consisting of a 45-day extension for certain periodic filings required to be made on or prior to June 1, 2020 as a result of the COVID-19 pandemic. As such, the British Columbia Securities Commission (“BCSC”) has enacted BC Instrument 51-515, Temporary Exemption from Certain Corporate Finance Requirements (“**BCI 51-515**”).

The Company will be relying on the temporary exemption pursuant to BCI 51-515 in respect to the following provisions:

- the requirement to file audited financial statements for the year ended December 31, 2019 (the “**Financial Statements**”) within 120 days of the Company's financial year end as required by section 4.2(b) of National Instrument 51-102 *Continuous Disclosure* (“**NI 51-102**”);
- the requirement to file management discussion and analysis (the “**MD&A**”) for the period covered by the Financial Statements within 120 days of the Company's financial year end as required by section 5.1(2) of NI 51-102; and
- the requirement to file certifications of the Financial Statements (the “**Certificates**” and together with the Financial Statements, the “**Annual Filings**”) pursuant to section 4.1 of National Instrument 52-109 *Certification of Disclosure in Issuer's Annual and Interim Filings* and section 4.2(b) [filing deadline for annual financial statements] NI 51-102.

The Company is continuing to work diligently with its auditors to file the Annual Filings by May 15, 2020.

The Company confirms that there have been no material developments, other than those disclosed through news releases and Form 7 *Monthly Progress Reports* filed on the Company's profile with the Canadian Securities Exchange, since the filing of its condensed interim consolidated financial statements for the period ended September 30, 2019, except for the acquisition of a SBA PPP Loan (the “**Loan**”) in the amount of \$594,100. The Loan bears an interest rate of 1% with a maturity date of April 6, 2022 and the first payment is due by November 6, 2020.

Additionally, the Company advises that management and other insiders of the Company are subject to a trading blackout policy as described, in principle, in section 9 of National Policy 11-207, *Failure to-File Cease Trade Orders and Revocations in Multiple Jurisdictions*.

About the Company:

VirtualArmour International is a global cybersecurity and managed services provider that delivers customized solutions to help businesses build, monitor, maintain and secure their networks.

The Company maintains 24/7 client monitoring and service management with specialist teams located in its U.S. and UK-based security operation centers. Through partnerships with best-in-class technology providers, VirtualArmour delivers leading hardware and software solutions for customers that are both sophisticated and scalable, and backed by industry-leading customer service and experience. The company's proprietary CloudCastr client portal and prevention platform provides clients with unparalleled access to real-time reporting on threat levels, breach prevention and overall network security.

VirtualArmour services a wide range of clients, which include Fortune 500 companies and several industry sectors in over 30 countries across five continents. For further information, visit www.virtualarmour.com.
