VPN Cancels Financing, Adopts Aggressive Growth Strategy

Vancouver, British Columbia, Canada – April 29, 2020 – **VPN Technologies Inc.** (CSE: VPN, OTCQB: SRBBF, Frankfurt: 6GQ) (“VPN Tech” or “the Company”) announces that the Company has cancelled its current financing plans in favor of implementing a more aggressive growth strategy.

President & CEO, Paul Dickson, announced a radical shift in corporate development strategy today resulting in the cancellation of the Company’s current financing. Mr. Dickson said, “the current economic environment has changed greatly in these past several weeks. While the new financial realities may disadvantage some businesses, VPN is uniquely positioned to continue to thrive in this global economy.”

Dickson also stated that, “the Board of Directors agrees that the time for expansion through asset acquisition is upon us and we need to act swiftly to monetize our current business and identify future acquisitions. By cancelling the Company's current financing, VPN is positioned to develop a much more aggressive and assertive development strategy. We expect a near term return to the capital markets with a program dedicated to strong growth fundamentals which rewards our clients, investor base and financial partners.”

About VPN Technologies Inc.

VPNTech is a publicly traded company with a focus on rapid growth within the cyber security sector. The Company already owns BladeVPN and GamerVPN and now seeks to scale up operations to meet the massive online demand created by the current world health pandemic.
